Bachelor of Applied Arts and Sciences (B.A.A.S.) Degree

Major in Applied Arts and Sciences
(Major Code: 601)

This degree assumes completion of an associate of applied science degree at a community college or completion of an appropriate occupational certificate prior to starting work on the B.A.A.S. degree at WTAMU. Included in this credit must be a block transfer of technical-vocational credits, up to a maximum of 48 hours. Additionally, hours of academic credit may be transferred along with the block.

Also required are completion of the core curriculum (42 hours) and fulfillment of other University requirements, including 39 advanced hours, 39 in residence at WTAMU, for a total of 120 semester hours with a minimum grade point average of 2.0. This degree includes a professional development core of 18–24 semester hours, specified through advisement and listed on the individual student's degree plan. At least 12 of these hours must be 3000- and 4000-level courses. The degree plan should be requested as soon as a student enters the B.A.A.S. program.

Contact the adviser of the Office of General Majors for details about the B.A.A.S. degree.

Bachelor of General Studies (B.G.S.) Degree (Major Code: 136)

For the B.G.S. degree, the student must complete, in addition to the core curriculum, a minimum of 78 hours of electives, including at least 39 hours at the advanced level. A maximum of 39 hours in one academic discipline can count toward this degree. An academic discipline is designated by a course prefix, as ENGL for English or POSC for political science. Music courses, whether MUSI (music) or MUAP (applied music), are counted as one academic discipline. Although there is no major or minor for the B.G.S. degree, students require one of the following academic disciplines for concentrations:

- 18 SCH in one academic discipline, 18 SCH in another academic discipline;
- 18 SCH in one academic discipline, 12 SCH in a second academic discipline, 6 SCH in a third academic discipline; or
- 18 SCH in one academic discipline, 6 SCH in three additional academic disciplines.

Some advanced course work is available online. At least 39 hours must be earned in residence at WTAMU, including at least 30 of the final 36 hours counted toward a degree. For details about the B.G.S. degree, contact the adviser of the Office of General Majors.

Guidelines for Options of the Bachelor of General Studies Degree

1. Twenty-four of the 36 hours in academic concentrations must be advanced (3000–4000). There are no restrictions on how advanced hours are distributed throughout the academic concentrations requirement.
2. Only six hours of core curriculum classes can be applied to the academic concentrations requirements.
3. For the purposes of satisfying the academic concentrations requirements for education (36 hours), any combination of the following prefixes can be applied: EDEC, EDEL, EDPD, EDRD, EDSE, EDSP, EDT and EPSY.
4. For the purposes of satisfying the academic concentrations requirements for music (36 hours), any combination of the following prefixes can be applied: MUAP, MUEN, MUSI.
5. For the purposes of satisfying the academic concentrations requirements for the areas of agriculture, each prefix denotes a separate 36-hour concentration:
 - Agriculture—AGRI;
 - Agriculture-Animal Science—ANSC;
 - Agriculture-Plant Science—PSES;
 - Agriculture-Agricultural Business and Economics—AGBE;
 - Agribusiness Degree Program has classes not limited to one prefix so a concentration cannot be designated.
6. For purposes of satisfying an academic concentration in arts management, students must select 36 hours (24 hours advanced and three hours project or internship) from the following:
 - 18 hours from business and/or communications;
 - 18 hours from the arts and/or humanities.
