

Dear Students,

The Parking Services Division would like to welcome you to West Texas A&M University. We attempt to provide the safest possible environment to those who live, study and work here. One means we use in trying to attain that goal is to require all persons who park a vehicle on University property to display a current permit.

Detailed parking regulations are available, if needed, at Student Services, the Cornette Library, UPD, Student Government Offices, the Registrar's Office and the Appeals Court. The general information you will need at this time is:

- All students are required to purchase a parking permit if they park on campus. Permits are required 24 hours per day in all areas of campus.
- Permits will be available for pick up **after August 4, 2008**.
