The Parking, Traffic, and Safety Subcommittee reviews written appeals only. Therefore, it is important to include all information that the appellant wishes the subcommittee to consider in the appellant's written statement.

Generally, the inability of an appellant to find a regular parking space is not consider grounds for dismissing a parking ticket.

State traffic citations are not heard by the subcommittee, but must be appealed through the Jackson County courthouse.

The basis for my appeal is as follows:

Finding of the Parking, Traffic, and Safety Subcommittee:

Upheld: _____ Dismissed: _____ Other: _____

Appellant notified of decision by: Telephone: _____ E-Mail: _____ Date: _____
