Topic Name

Ouline Slide Provides A Logical Overview Of The Presentation

Title Slide Properly Introduces the Presentation Prog Title

= Errors

Slides: Content

	m . / ***		
Body Slides	Text / Word Content		
	= Lacks depth = Errors = Off topic		
	= Too Wordy = Unacceptable = Poor Layout		
	 Lacks clear organization of discussion 		
	Supporting Images		
	= lacks minimum quantity = inappropriate		
	Logical sequence of discussion		
	= lacks some = lacks too much		
	Audience Needs Are Met		
	= some not met = minimual = most not met		
Closing Slide	e Creates A Proper Closing To The Presentation		
Ü	= Not a closing slide (not Q&A) = Missing slide		
	= Missing "clincher" / reaction = Missing name		
Blank slide			
References:	appropriate sources were selected		
	= inappropriate sources = too simplistic		
	= lacks minimum quantity of articles = too Encyclopedic		
eferences:	APA writing style		
	= Author format = Missing Date = Date Format		
	= Missing title = Caps in title = Periodical missing

= Attention Grabber = Name

= Missing slide

		Excellent	Good	Acceptable	Min Proficient	Poor	Unacceptable
	Eye Contact - Ability to hold audience's attention						
	= looks too much at screen or monitor						
	= reads from notes (unacceptable)						l
	= lacked good eye contact						
	= seldom looked at the audience. (Poor or unacceptable)				\vdash	\vdash	
	Body Language - Engages the audience / makes them feel comfortable						
	= distractive = too rigid = fidgety						
	= hands in pocket = hands on arm = hands on back						
	= sway = not straight = not face audience						
	= bob up & down = poor use of mouse				—	—	<u> </u>
	Enthusiasm and Pace that holds the audience's attention						
	= lacks enthusiasm = pace too slow = jerky / not smooth				\vdash	\vdash	
	Voice - Appropriate volume, variety, and emphasis						
	= too soft = lacks emphasis = too monotone				\vdash	\vdash	<u> </u>
	Proper Professional Dress						
	= unprofessional = too casual						
	= shirt not tucked in = male missing tie NO = too much skin = too short						
	= too much skin = too short Language Skills That Hold Audience's Attention				\vdash	\vdash	<u> </u>
	= errors in grammar = distracting phrase: = overuse of "umm"						
Slides	= limited vocabulary = does not hold audience's attention						
Content	Diction and Enunciation						
Content	= Errors in pronunciation [] minor [] major						
/ 60	= Audience is unable to understand phrases that were spoken						
7 00	Oral Introduction that engages the audience						-
	= missing name = missing "attention grabber"						l
	= missing title = weak attempt to engage the audience						l
Slides	Oral Discussion of the Topic				\vdash	\vdash	
Structure	= lacks depth = errors = off topic						
Structure	= too wordy = unacceptable = read from notes						
/ 30	Flow of the oral discussion made it easy for audience to follow						
7 30	= lacks a logical flow of the discussion = Too jerky						
	= lacked smooth transistion from point to point						
	Oral Closing to the presentation - audience knows what is expected						
	= not Q&A = not "That's It" = not "The End"						
	= Missing "clincher"/ audience reaction = weak closing						
	= Does not engage the audience into action						
Oral	= presentation must stop on the closing slide						l
	Preparation						
	= did not stay within the time limit ofminmin						
/ 50	= do not read from paper notes
