* Note: The Travelers ERISA Compliance Bond automatically insures all ERISA Plans of the Sponsor. The Employee Retirement Income Security Act of 1974 (ERISA) requires a Plan Fidelity Bond to equal 10% of the funds handled by a Trustee/Fiduciary, with a maximum Bond Limit of \$500,000 per Plan**. The Limit of Liability for the Bond should equal the sum of the required ERISA Bond amount for each Plan. The Travelers ERISA Compliance Bond contains a unique *Inflation Guard* feature. This feature automatically provides a bond amount, per Plan, equal to that required by ERISA, provided the Sponsor/Plan purchases an amount at least equal to the required ERISA bond amount, at the Bond inception date. These rates are based on: 20% commission rate, 5 or fewer Trustees, and no losses. Our underwriting criteria requires use of the Travelers ERISA Compliance Bond Form. Coverage is available for Non-Union Plans containing no Non-Qualified Assets, Designated Agents, or Additional Named Insured coverage. **If your applicant does not meet these criteria, please contact your Bond Express underwriter.**

** ERISA may require the limit to exceed \$500,000 if a plan holds non-qualifying assets or employer securities. Limits above \$500,000 are available for these plans.
