The Swiss Private Equity & Corporate Finance Association (SECA) is the representative body for Switzerland's private equity, venture capital and corporate finance industries. SECA has the objective to promote private equity and corporate finance activities in Switzerland.

The association is a non-profit organization and has the following purposes:

- to promote corporate finance and private equity activities in the public and the relevant target groups;
- to promote the exchange of ideas and the cooperation between members;
- to contribute to the professional education and development of the members and their clients;
- to represent the members views and interests in discussion with government and other bodies;
- to establish and maintain ethical and professional standards.

For further queries, please contact Dr. Maurice Pedernana, General Secretary, or Philipp Dialer, SECA event manager.
