**University Hospital
Zurich**

Dear Colleagues

The Center for Multiple Sclerosis at the Department of Neurology of the University Hospital Zurich is now starting its sixth consecutive year.

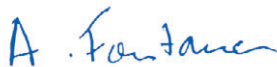

To celebrate this anniversary we cordially invite you to our annual MS-Symposium. In this symposium, we welcome internationally renowned experts, who will give insights into current topics of MS research and therapy.

We are confident that this symposium will appeal to scientists and students, physicians in the clinic and private practice as well as informed lay persons.

We are looking forward to your attendance and fruitful discussions.

Prof. Burkhard Becher

Prof. Adriano Fontana

Prof. Norbert Goebels
