Quality Consult Srl

THIS AGREEMENT SHALL BE GOVERNED SOLELY AND EXCLUSIVELY BY ITALIAN LEGISLATION LAW

Registration to 2013 QC Corrective Actions

The laboratory, that participates to Reference Materials for Corrective Actions, must send us this registration form by e-mail or by fax with all the fields filled with the details requested and the date, stamp and signature of laboratory. Quality Consult sends back a copy with its date, STAMP and signature as confirmation order.

This document will be considered a contract.

GENERAL CONDITIONS FOR PARTICIPATION IN QC 2013 CORRECTIVE ACTION

Participation fee comprises the following services:

- Reference Materials and guidelines;
- Helpdesk;
- Certificate of assessment of analytical performance by assignment of Z-score.

The service cost is the amount of the corresponding QC 2013 Programme interlaboratory Proficiency Testing discounted by 50%.

CONDITIONS OF TEST SAMPLES DELIVERY

Sample delivery: Test samples are delivered by courier service to the address identified in the registration form according to the defined time schedule.

Sample substitution: Damaged material will be substituted by courier service at the expense of Quality Consult.

Shipping costs and conditions: An additional cost is calculated for sample shipment outside Italy by courier service. Shipping costs will depend on destination countries and weight of dispatch package. Quotation of shipping costs will be provided case by case upon request.

Customs costs: Customs costs are not included under "total amount to pay" and are charged to costumers. Any legal entity or person outside Europe is subject to payment of customs charges.

PAYMENTS

Charge of Value Added Tax: According to Directive 2008/8/CE VAT has to be charged for the clients of European Community that are not registered for VAT. According to Regulation UE 28/2011 VAT has to be charged for the clients outside of the European Community that are not registered for VAT or other individual similar identification number attributed to the customer by the country of establishment and used to identify businesses or any other proof which demonstrates that the customer is a taxable person.

Payment for the selected services must be made by bank transfer at the moment of the registration. The invoice will be issued and sent by e-mail upon registration of the laboratory. Quality Consult reserves the right to compensation in case of non-payment according to Art. 1218 and 1223 of Italian Civil Code.
