NOTES ON COMPLETION OF FORM H15

General Every section of the form must be completed. This form must be completed correctly, in full, in accordance with the requirements of the Companies Act 1990 (Form and Content of Documents Delivered to the Registrar) Regulations 2002 and with the following notes.

Section 311 Companies Act 1963 (as amended) gives the Registrar power to strike companies off the register. However, it is a discretionary power which she will use only if a director of a company makes a formal request to her to strike the name of his/her company off the register and the application for strike off complies **in full** with the following requirements of the Registrar.

Step One

All outstanding annual returns have been filed by the company at least two weeks before the request for strike-off is made and relevant fees and any applicable late filing penalties in respect of such filings have been paid.

Step Two

A letter of no objection from the Revenue Commissioners is required to be attached to Form H15.

This should be requested in writing from:

Office of the Revenue Commissioners, Companies Unit, City Centre Revenue District, 9/15 Upper O'Connell Street, Dublin 1. Telephone: 01 865 5000 ext 32989/32991/32993/32994/32997.

Once issued, the letter of no objection is valid for six months.

Step Three

An advertisement, along the lines of the sample text below, is placed in one daily newspaper published and circulated nationwide in the Republic of Ireland, and attached to Form H15. This advertisement should appear in a newspaper published not more than six weeks prior to the delivery to the CRO of the application for voluntary strike off. The entire newspaper page (original) on which the advertisement appears should be submitted to the CRO with Form H15, as it is essential that both the name of the newspaper and the date of publication are displayed with the advertisement. (Photocopies will not be accepted). Please note that a single advertisement may be used to advertise the intention to apply for voluntary strike off of up to a maximum of six companies. In such cases, a separate Form H15 is required for each company.

NOTE: As it can take some time to complete steps 1 and 2 above, the advertisement should not be placed until the company is certain that it will have filed all its outstanding annual returns with the CRO not later than 2 weeks from the date of publication of the advertisement, and that it has the Revenue letter of no objection and will be in a position to deliver Form H15 to CRO within 6 weeks of the date of publication of the ad.
