Triathlons are FUN! And....a great way to get kids active and enjoying a range of sporting activities. We want all Franklin kids between ages 8 and 12 to be able to have-a-go at this years triathlon, and not be held back because of financial restraints. Therefore, this year Fulton Swim School are kindly offering scholarships to cover the entry fee for those kids that wouldn't be able to compete otherwise.

Kids: Just fill in the section below explaining why you'd love to enter the 2012 triathlon and have it paid for by Fulton Swim School. You can include what sort of training you'll do, and what you think your favourite part will be. Be as imaginative and creative as you like!

Parents: We need your support in this too - you'll need to get your child to the event should they win a scholarship from Fulton Swim School. Please, just sign down the bottom to show your support.

Principals: Also a signature is required so that we know you're on board with this as well - thanks.

In 200 words or less, please explain why you'd like to win a Fulton Swim School Scholarship.
