Bring to Your Health Care Provider Appointment

- This Form
- Yellow immunization card
- Other proof of immunization

Hint: From your local public health unit in the area that you lived when you received high school and elementary school immunizations.

Important - Please make sure this form is completed in all of the following sections:

<u>Section "A":</u> Mandatory Medical Requirements: Take this form to your primary health care provider (physician or nurse practitioner). Must be completed by your health care provider (physician or nurse practitioner).

Ask your health care provider to:

- Complete all of Section "A",
- Complete all shaded areas,
- Provide you with proof of immunization and/or lab blood results for identified sections,
- Sign and date at the end of the section.

Section "B": Non - Mandatory Medical Requirements: Must be completed by you, the student.

<u>Section "C":</u> Non - Medical Requirements: Must be completed by you, the student.

Section "D": Student Agreement: Must be completed by you, the student.

Section "E": Completed by Requisite Program Nurse.

Complete the Checklist on the Last Page to Make Sure You Have Everything Before You Make Your Appointment With the Requisite Nurse

Section "A" Medical Requirements

Section A: Medical Requirements – Mandatory

Instructions for Physician/Nurse Practitioner: Please read carefully.

Thank you for your cooperation with the immunization process for our student registered in this program. For the protection of students, patients and external clients, students must provide documented proof of immunization. Immunization requirements listed before each section follow the standards outlined in the Canadian Immunization Guide, 7th Edition (2007), the Canadian Tuberculosis Standards (2007) and the OHA/OMA Ontario Hospitals Surveillance Protocols (revised 2010). The required information with exact dates (yy/mm/dd) and signature for each requirement must be recorded directly on this Clinical Pre-placement Health Form in the shaded areas provided. Please also provide an attesting signature at the end of the form. Failure to complete in its entirety and submit this form by the required deadline, will exclude student from their clinical/field placement.

Please ensure you have reviewed, completed and signed the required shaded areas in Section A.

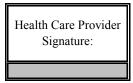

Measles Mumps and Rubella (MMR)

Instructions

The Student must provide a lab blood test that indicates evidence of immunity **OR** documented proof that they have received two doses of the MMR vaccine. Copies of lab results must be provided for all three of the lab results.

MMR Lab Report/Results (Attach laboratory blood report for each)

Immune to MMR	Yes	No	For Requisite Nurse Use Only

Exempt					

Tuberculosis Screening

Instructions

- 1) All students must have documented proof of a Two-Step TB Mantoux skin test. If proof is not available for the Two-Step Mantoux skin test or if it has not been completed previously, then the student must receive an initial Two-Step TB Mantoux skin test. The Two-Step needs to be performed **ONCE** only and it never needs to be repeated again. Any subsequent TB skin tests can be One-Step, regardless of how long it has been since the last skin test. Students who have received a BCG vaccination are **not exempt** from the initial Mantoux testing. Pregnancy is **NOT** a contraindication for performance of a Mantoux skin test.
- 2) Mantoux testing must be completed prior to the administration of any live vaccines (i.e. MMR, IPV) **OR** defer skin testing for 4 to 6 weeks after the vaccine is given.
- 3) If a student was **positive** from a previous Mantoux Two-Step skin test and/or has received TB treatment, the health care provider must complete an assessment and document below if student is free from signs and symptoms of active tuberculosis.
- 4) Any student who has proof of a previous **negative** Two-Step, must complete a One-Step.
- 5) For any student who tests positive for the first time:
 - **a.** Include results from the positive Mantoux screening (mm of induration),
 - **c.** Indicate any treatments that have been started,

- **b.** A chest x-ray is required and the report must be enclosed in this package,
- **d.** Complete assessment and document on form if the student is clear of signs and symptoms of active TB,
- e. The responsibility for follow up lies with the health care provider as per the OHA/OMA Communicable Disease Surveillance Protocols.

Section "B" - Other Medical Requirements

Influenza: Strongly Recommended Instructions

To be completed by student. Influenza Vaccination (Flu Shot): Annual Immunization Vaccine Only Available During Flu Season (October/November). All Students are encouraged to protect themselves with annual influenza immunization. Students who have not received the vaccination may be removed from clinical placement as some of our placement partners may require that students receive influenza immunization and show proof especially if there is an outbreak. In the event of an outbreak at your placement, any student without the vaccination may be denied access to the facility thereby jeopardizing successful completion of the clinical course. Proof of flu vaccine can be faxed or scanned and emailed to ParaMed.

Results	Date	★Provide proof of immunization and/or immunization			
Seasonal Flu Vaccine received:		health record. Proof of Influenza immunization can be			
Other Vaccine received:		faxed to the Requisite Program at 519-972-8813 or sca to windsor@paramed.com.			
		** Please note that annual immunization vaccine is only available during Flu Season (October/November).

Yes 🗆	No 🗆			

Influenza Waiver Students who choose not to have the annual influenza vaccine for medical or personal reasons must sign a waiver that acknowledges their awareness of susceptibility to the disease and of the implications for clinical placement and lost time. Students must provide consent for the school to communicate their influenza immunization status to the clinical agency in which they are placed. I understand that the Academic Program encourages students to have an annual influenza vaccine. I have selected to waive this immunization based on medical and/or personal reasons. I am aware that I may be susceptible to influenza and I understand that I may not be eligible to attend clinical placement. I consent to have my program communicate my influenza status to clinical agencies.

Section "C" - Mandatory Non-Medical Requirements

Non-Medical Requirements

Instructions for Students

As a student accepted in this program, you are required to complete the following non-medical requirements.

- 1) Review your communication package to find out how and where to obtain these requirements,
- 2) Locate the approved sources to obtain the requirement(s),
- 3) Obtain the certificate/proof of completion,
- 4) If pregnant and plan to obtain Mask Fit test from ParaMed, must have medical clearance (a note) from health care practitioner
- 5) For each of the non-medical requirement(s), bring the original and one copy of your certificate and/or proof of completion to your Requisite appointment.

If you have previously obtained one or more of the above non-medical requirements, please ensure they have not expired (if applicable).

	Date Issued	Expiry Date	For Requisite Nurse Use Only

Student Verification of Health Status (annual)						

Section "D" – Student Agreement

Section D - The Student Agreement

I confirm that I have read this form and understand its purpose and the nature of its content. In particular, I understand that in order to comply with the Public Hospitals' Act and Ontario Hospital Association protocol, I need to demonstrate that certain health standards have been met in order for me to be granted student placement.

I understand that I must have all sections of this form fully completed and reviewed by the ParaMed Requisite Program by the identified due date. Failing to do so, may jeopardize my consideration for any student placement. All costs incurred for completion of this form are my sole responsibility. Should it be requested, it is my responsibility to share relevant information from this form with a hospital, nursing home, or other clinical placement agency relating to my program.
