

Langara College welcomes your application for admission.

Please consult the College Calendar and read carefully the following information before completing the application.

APPLICATION PROCEDURES AND INFORMATION

Application Fee: \$40.00 for Canadian Citizens and Permanent Residents; \$155.00 for International Students. This fee is non-refundable and covers applications to more than one program.

Basis of Admission

- **Regular Academic Admission** - The Academic requirements for admission to Langara College are:
 - Successful completion of a BC secondary program (Grade 12) or the equivalent, or
 - Be at least 19 years of age by the first day of the first semester of attendance, or
 - Successful completion of an A.B.E. (Adult Basic Education) or G.E.D. (General Education Development) program.
- **Conditional Admission** - BC secondary students who are short only one course for graduation and are enrolled in the missing course may be considered for conditional admission by submitting an Appeal for Admission/Re-admission Form. These applicants must provide the College with both an official transcript of all courses completed, an interim transcript of the course in progress that indicates a minimum grade average of 60%, and a letter from your secondary school counsellor confirming that upon completion, you will graduate.
- **Secondary/ Post Secondary Concurrent Studies** - BC secondary students entering or currently in Grade 12 who have demonstrated academic excellence may be admitted to the College to pursue concurrent studies. Contact the Registrar's Office for more information.
- **Career and Arts and Science Limited Enrolment Program Applicants** must also meet program admission requirements. Details can be found in the Langara College Calendar or on the Web.
- **Applicants for Permanent Residence or Convention Refugees** must contact the Registrar's Office for further information.
- **Permanent Resident (Landed Immigrant) Status:** Applicants with Permanent Resident Status are required to include a copy of their Record of Landing (Imm. 1000 form or Permanent Resident Card) with their application.
- **International Students:** Applicants who are neither Canadian Citizens nor Permanent Residents apply as International Students. Please refer to the Langara College Calendar and the International Education application packet for details. Some career and arts and science limited enrolment programs do not accept international students. Please check with the Registrar's Office for details.
- **Application Status:** Applicants can monitor the status of their application on the myLangara web portal at www.langara.bc.ca.

Re-activation of Application: If applicants do not register in the semester to which they have been admitted, their application becomes inactive. To reactivate an application for another semester, applicants must notify the Registrar's Office in writing or complete a "Reactivation Form", which is downloadable from the Web. Reactivation of an application is free if the reactivation request is made for the three semesters immediately following the first semester for which application was made.

Transcripts

- Applicants must submit OFFICIAL educational documents to support their applications. Photocopies of documents are unacceptable. Transcripts must bear an official seal and signature from the issuing institution. If the transcripts are written in a language other than English, an official copy of an authorized English translation of the transcripts must be submitted in addition to the original transcript.
- Applicants under 19 years of age who have graduated from secondary school must submit an official transcript showing secondary school graduation.
- Current BC Grade 12 students are not required to submit an official transcript provided (1) they have directed the BC Ministry of Education to forward their final transcript to Langara electronically and (2) they have included their BC Personal Education Number (PEN) on their application.
- Current Grade 12 students from other provinces must submit an official transcript showing secondary school graduation as soon as possible.
- **Transfer Credit:** If applicants wish to obtain credit for courses taken at another post-secondary institution or enrol in a course that requires prerequisites completed elsewhere, they must complete a Transfer Credit Request Form and submit it with supporting official transcripts. **Applicants must formally apply for transfer credit at least two months before the semester begins.**

Application Dates:

- **Arts and Science (University-Transfer) Program:** Applications are accepted 11 months prior to the start of each semester. As new students are given a course registration priority that is based solely on the date of application, applicants are advised to apply early.
- **Career/Arts and Science Limited Enrolment Programs:** Early application is strongly recommended as these programs have limited enrolment. Applications are accepted 11 months prior to the start date of each program. For programs start dates, see the back of this form or refer to the Langara College Calendar.

Application Deadlines:

Check the Web for application deadline information.

Student Loans:

Applicants who require student loans should apply at least two months prior to the beginning of the semester. Applicants should not wait for a letter of acceptance from the College. Further inquiries regarding financial aid may be directed to the Financial Aid Office (Tel: 604-323-5376).

The Langara Calendar is available at www.langara.bc.ca.
