# Instructions to Complete the Product Purchased/Received from Non-Collectors in Ontario Schedule - GT/FT5

## Gasoline Tax Act and Fuel Tax Act

Please complete this schedule if you purchased/received gasoline or fuel products from non-collectors during the reporting period covered by your Return. **A separate schedule must be completed for each type of product purchased/received.**

Schedules for unleaded gasoline (including ethanol blended gasoline and denatured fuel ethanol), leaded gasoline, aviation fuel and propane are to be attached to your **Gasoline Tax Collector Return - GT66**. Schedules for clear fuel and coloured fuel are to be attached to your **Fuel Tax Collector Return - FT812** or your **Fuel Tax Railway Return – FT826**.

**Legal Name** Enter your full legal name as it appears on the registration certificate or proof of registration, issued to you by the Ministry of Revenue (ministry).

**MFTT Reference Number** Enter your MFTT Reference Number as it appears on the registration certificate or proof of registration, issued to you by the ministry.

**Reporting Period** Enter the start and end dates for your reporting period covered by the Return (year/month/day).

**Type of Product** Indicate the type of product by checking the appropriate box. If you have purchased/received more than one product type during the reporting period, **please complete a separate schedule for each product type.**

**Example** For example, if you purchased/received unleaded gasoline and clear fuel from a Non-Collector in Ontario, you would complete two schedules. One schedule would be for the gasoline you purchased/received and one schedule would be for the clear fuel.

**Complete the details for each product purchased/received. On each schedule, the following information is required for each purchase.**

**Name and Address of Supplier** This is the name and address of the company from whom you purchased the product.

**Supplier's MFTT Reference Number** A supplier may or may not be registered with the ministry. If your supplier is registered with the ministry, please enter the number here.

**Quantity (Litres)** Record the total number of litres purchased/received from each supplier during this reporting period.

**Total Litres** This is the sum of all **Quantity (Litres)** from above.

**Tax Rate** Please see the enclosed tax rate table and use the appropriate rate to complete the calculation.

**Tax Paid** This section is to be completed only if you paid tax to your supplier. This is the amount of tax paid to a supplier. To arrive at this amount, multiply the quantity purchased (A) by the current tax rate per litre (B), (A x B = C).

**Total Tax Paid** This is the sum of all Ontario **Tax Paid** by you on purchases.

**Transfer all totals**  
**Total Litres**  
**Gasoline:** Carry forward the Total Litres of gasoline to the appropriate column on line 6 of **Gasoline Tax Collector Return - GT66**.

**Fuel:** The Total Litres of clear fuel would be transferred to the appropriate column on line 8 of the **Fuel Tax Collector Return - FT812** or line 4 or 5 of the **Fuel Tax Railway Return – FT826**.

**Total Tax Paid**  
**Gasoline:** The Total Tax Paid for gasoline product would be transferred to the appropriate column on line 25 of **Gasoline Tax Collector Return - GT66**.

**Fuel:** The Total Tax Paid for fuel product would be transferred to the appropriate column on line 24 of the **Fuel Tax Collector Return - FT812** or line 4 or 5 of the **Fuel Tax Railway Return – FT826**.
