

Be a part of the CrossFit Springfield Guns and Hoses Challenge to put the hurt on cancer!

Welcome to the 2nd annual Guns and Hoses event, hosted by **CrossFit Springfield**, benefitting the **Grant Wistrom Family Foundation**. Saturday, April 30, we are inviting all Fire Fighters, Police officers and military to put together teams of 4 and participate in this event that will test teamwork, skill, and fitness.

First and foremost, this event is about raising money for an incredible foundation that has impacted the lives of many children who battle cancer daily. We ask that you make the choice to be involved with this event, regardless of your experience with CrossFit or fitness level to help make a difference in these kid's lives.

About the Grant Wistrom Family Foundation

The plight of young oncology patients was brought to Grant's attention during his senior year at the University of Nebraska Lincoln, when he befriended Kendall Chalmers, a young Husker Fan with leukemia, from Grant's home state of Missouri. To help prepare Kendall for the loss of his hair during treatment, Grant, Jason Peter and Jared Tomich included Kendall in their pre-game ritual of shaving their heads and presented Kendall with a coveted honorary Blackshirt jersey. Grant's concern for pediatric cancer patients, through that first encounter in Nebraska, has grown into the Foundation that bears his name.

The Wistrom Family Foundation, created in July of 2002, strives to provide pediatric oncology patients an experience that is presented in a safe, supportive, happy and medically sound

environment. At the events they are encouraged to put aside the concerns associated with a serious illness and enjoy a carefree experience. We work to provide an environment of warmth, compassion and laughter – a space in time to be just a child. We are inspired by their strength, resilience and spirit.
