St Ursula's College 2014 Tennis Coaching

- Adults & Children - Beginners to Advanced

1st February 2014

Dear Parents and Students,

Welcome to 2014! If you would like to enrol your daughter/s for Group Tennis Coaching for Term 1, 2014. The cost for this 8 week term of coaching is \$142 or alternatively if **fees are paid by 14th February 2014 - \$132.**

We are sincerely sorry for the price rise for 2014. As our loyal families would be aware we have attempted in the past keep price rises to a minimum, however we are now required to charge GST. Hence we have had to increase prices to reflect the GST. Anita and I have decided to absorb the extra administration costs associated with this process as we could not in good conscience pass on further costs. If you need to discuss these changes please call Clinton on 0402330540 or Anita 0438281276.

New on the agenda for 2014 "Cardio Tennis" – a new initiative designed to keep people on courts for a heart pumping, fun, music filled session with pedometers to actively gauge how many steps they have taken through the session. \$10 each per session or \$8 for six or more people (maximum of 12 people per session). At this stage these sessions will be offered at "The Glennie School – Tennis Courts" depending on interest.

The **completed application form** with included fee can be posted to **5 Glenmorgan Court, Glenvale** or handed in at the Office in an envelope addressed to Revolution Tennis Academy. If you wish to enrol two or more children a discount of 5% per family will be offered. Direct deposit arrangements are available if you wish to contact me directly.

Lessons take on a holistic approach to tennis including stroke production and correction, skill development, general or core fitness and fun games to help develop and co-ordinate all aspects of the game of tennis. Private coaching is available to any student wanting individual attention. For times and prices, please contact Clinton directly on 0402330540.

Lessons will commence Monday 3rd February at 3.30-4.30pm. (A make up lesson will be offered to those who do not attend Week 2).

Please do not hesitate to call if you require any further information regarding Tennis Coaching. Racquet restrings and repair services are available, along with new racquet sales if required. I look forward to seeing/meeting everyone.

Kind regards
Clinton Beutel
