

JSC "ChMK" of MECHHEL (Russia) 2001-2011

Description: This company profile is a description of one of the largest steel producers in Russia: JSC "ChMK" of MECHHEL.

The 44-page report consists of 12 sections, including 3 applications and 8 tables.

The report findings are based upon desk-based research. Information sources include data of the Federal Service of State Statistics, the Federal Customs Service of Russia, official statistics of rail transport, annual and quarterly reports of companies, as well as internet-sites of company-producers.

The first section is an overview of JSC "ChMK".

In the second section data on the composition and structure of the company and its products range is provided.

The third section gives an idea of the volume and trends of production.

The fourth section is devoted to sources of raw materials and suppliers, both domestic and foreign.

The fifth section is dedicated to the marketing of products.

In the sixth section the authors consider the foreign activities of the JSC "ChMK", including data on exports.

In the seventh section they consider the competence of the company, thus determining its competitiveness.

Data on productivity, staffing and compensation can be found in the eighth section.

The ninth section is devoted to one of the most important and topical areas of the Russian steel industry: environmental performance.

The privatization of JSC "ChMK", the formation of shareholders and its impact on the company's activities are covered in the tenth section.

Data on the financial condition of the company during 2001-2010 is given in the eleventh section.

The twelfth and final section is devoted to the program for the company.

The Appendices present information about the range of products, the geographical structure of exports of rolled steel by type in 2001-2010, as well as an address-phone book for JSC "ChMK".
