However, it is required for entering performance rallies (e.g. 50km rallies), and it is required for upgrading to a CARS regional license.
- Copy of both sides of your valid Driver's Licence.
- Appropriate Money order or cheque, made out to RPM.

If you are completing this form at an event, you will have to present the supporting documents to the event registrar, but do not need to provide copies.

Please note that when applying for an upgrade to a CARS regional license, you must include a copy of your basic license, and then the fee to CARS is reduced by \$25.
