Bringing your household effects to the United Kingdom from outside the European Community (EC) when furnishing, or after giving up, a secondary home

This form is for you to declare your household effects to Customs and to claim any duty and VAT free reliefs that may apply when you are:

- furnishing a **secondary home** in the UK; or
- giving up a secondary home which is outside the EC.

A **secondary home** is a home which you own or rent and use only occasionally, ie. it is **not** in the country where you have your normal home (see the definition of "normal home" overleaf).

Further details of the secondary home relief are given in Customs Notice 3 ('Bringing your belongings and private motor vehicle to the United Kingdom from outside the European Community').

If you want a copy of this notice or more information, ask our National Advice Service (Tel: 0845 010 9000, or +44 208 929 0152 for international callers).

Please note that you will also need to complete the following forms if you are bringing in:

- private motor vehicles: Form C104A (if imported on transfer of residence) or C179B (if previously exported from the EC);
- pets: Form C5 (if permanently imported) or
- personal belongings, other than to/from a secondary home: Form C3 (if permanently imported).

If your normal home remains outside the EC and you are temporarily importing these items, see section 4 of Notice 3.
