- I realize that confrontations, yelling, and any sort of anger are strictly prohibited. If any sort of conflict arises I will not confront the situation, but rather, remove myself from the situation immediately, even if that means leaving the game (*signature*) _____.
- I realize that United Sports League is running the (Fill in the sport you're participating in) _____, not the field or facility being used. In fact, the field/facility has nothing to do with this league (*signature*): _____. For instance, (Erasmus Field) has absolutely nothing to do with this Basketball League. - I realize that I may be suspended from league play and that even though this is a 'pay per play' league, suspensions will carry no refund. Even if I do not like a particular referee, I will accept their authority. Even if I disrespect the referee and/or disrespect his or her calls, I will still accept the authority of the referee. If the problem is bad enough, I will call the director/commissioner, but I will not take matters into my own hands. I realize there will be imperfections in this recreational league. I realize that the referees will have almost 100% of the description of an unsportsmanlike incident to the league director, if there is an incident. I also realize that players' input is only valid on an appeal of a suspension, if there is a videotape of the incident. I agree to all these items in release point #3- (*signature*) _____.
