How this Vacation Certificate Works

In case you have any doubts about this offer... we understand. There is nothing wrong with being skeptical & cautious until you know all the facts. There are plenty of phone offers out there. "Ours Is Not One Of Them".

We want to assure you that "Our Vacation Certificate is Genuine". It's not a scam or connected to any timeshare presentation or any other kind of sales pitch that has been associated with so-called "free vacations" in the past. You really do get "Free Accommodations" at some of the Best Hotels Available, "With No Strings Attached". All of the requirements to receive your Free Accommodations are listed below, under "How to Redeem Your Certificate".

Our affiliate Travel Agencies and the participating Resort Hotels will do everything necessary to make your vacation a wonderful and memorable experience. Even though your accommodations are free, you will be treated like a VIP at your host hotel.

The reason for this simple. All of the participating resort hotels in this program are in it for one reason. They want you to have a great time on your first visit, so you'll come back on future vacations. Maybe even tell some friends about their superior service so they'll come for a visit also. They know... if you don't have a fantastic vacation... you won't be back. So... how do you think you're going to be treated? Have Fun & Enjoy Your Vacation.
