- If the decision is positive, you will receive your CAQ for studies at the mailing address that you gave in Question 8 of the form.
- If you were not required to provide proof of financial capacity, you will receive a single copy of your CAQ for studies with the notation "Requérant" (Applicant). A notice of conditional approval will be sent simultaneously to the Canadian Visa Office (CVO) where you will apply for a Study Permit (question 12 on the form) so that it can assess your financial capacity.

#### DETAILED INSTRUCTIONS

##### Photo

You must provide the **original** of a passport-size identity photo (35 mm x 45 mm) taken in the past 12 months that allows your identification and staple it in the space provided for this purpose. Write your name on the back of the photo.

##### Question 1

##### Question 8

Give the **complete address** at which you wish to receive mail concerning your application for a CAQ for studies.

##### Question 12

###### To apply for a Study Permit

- Clearly indicate the place where you will **apply** for your Study Permit. If you must apply outside Canada, indicate the location of the Canadian Visa Office (CVO) where you will send your application. To find out which CVO covers your current place of residence, consult the website of Citizenship and Immigration Canada (CIC) at [www.cic.gc.ca](http://www.cic.gc.ca). If you do not have Internet access, contact the Canadian Embassy to obtain the address of the appropriate CVO.
- To **renew** Study Permits, it is not advisable to send the application to CIC Vegreville if you are not in Canada while your application is being processed. Any error or delay in processing your application could jeopardize your return to Canada and may oblige you to file a new application at a CVO outside Canada.

### Question 13

A separate application form for a CAQ for studies must be completed by each person who will study in Québec.

### Question 22

Depending on the option that reflects your situation, you must demonstrate your capacity to pay the following expenses:

Add any proof of **payment made**, where applicable.

You must also demonstrate that you will continue to have sufficient financial resources to pay these expenses for the duration of your studies (total amount or proof of stable income). This financial proof must cover accompanying family members, if any.

If someone is supporting you financially, you must provide proof of **his** or **her financial capacity**. You must also provide a Declaration of financial support (see page 6) signed by this person.

If you are **renewing** an application for a CAQ for studies from a country or territory **not listed in OPTION 1**, you do not have to provide financial proof.
