**Instructions for Completing the South Carolina Tobacco Quitline
Healthcare Provider Fax Referral Form
DHEC 1042 (06/2010)**

DHEC Form 1042 is used to refer a DHEC client or other patient who smokes or uses other tobacco products to the South Carolina Tobacco Quitline via a fax referral system. The following steps must be followed *prior* to sending a fax referral to the Quitline.

General:

1. DHEC provider must follow the protocol in the *DHEC Tobacco Cessation Intervention Policy (2As + R)* before referring a client to the Quitline. External providers are encouraged also to follow this protocol. These steps are: **Ask** about tobacco use; **Advise** to quit and ask if client is ready; **Refer** to Quitline for cessation counseling and recommend client sees primary care physician for cessation medication guidance.
2. Write DHEC Patient File Number in box at top right of form.

Provider Information:

3. Enter date form is faxed to Quitline.
4. Enter name of DHEC clinic or other medical facility.
5. Enter name of a primary contact person.
6. Enter clinic's fax number, telephone number and E-mail address of primary contact person.
7. (*Optional*) Enter tobacco cessation-related comments or questions about the patient being referred.

Patient (Client) Information:

8. Check gender of client.
9. Check if client is pregnant.
10. Enter patient's/client's name, date of birth, and full mailing address.
11. Enter patient's primary and secondary telephone numbers, including area codes and type of the number.
12. Check client's language preference.
13. Check type of *primary* tobacco use.
14. **CLIENT MUST AGREE TO RECEIVE A CALL FROM THE QUITLINE.** If so, client *must* write his/her initials on the line prior to the statement: "I am ready to quit tobacco and I request that the South Carolina Tobacco Quitline contact me by telephone to help me with my quit plan; I authorize the above named provider to fax this form to the Quitline."
15. If client DOES NOT want the Quitline to leave a message on their telephone, client must write his/her initials on the line prior to the statement: "I DO NOT give my permission to the South Carolina Tobacco Quitline to leave a message on my telephone when contacting me."
16. If client DOES NOT want the Quitline to send a referral Outcome Report back to this provider, client *must* write his/her initials on the line prior to the statement: "I DO NOT authorize the South Carolina Tobacco Quitline to fax back to the above named provider any information about this referral."
17. **PATIENT/CLIENT MUST SIGN AND DATE THE FORM.**
18. **PATIENT/CLIENT MUST CHECK THE BOX OF THE BEST 3-HOUR TIME FRAME FOR A QUITLINE REPRESENTATIVE TO REACH HIM OR HER.**
19. **PATIENT/CLIENT MUST RECEIVE A COPY OF THE FORM.**

Final Steps:

20. Fax the completed DHEC 1042 to the Quitline Fax Number listed in box at top right side of form. Copy goes to client and original goes in health record.
21. DHEC provider must file the completed DHEC 1042 (only if DHEC makes the referral) in the client health record in the correspondence section behind the DHEC 1610 or in the correspondence section of the WIC chart. The form is filed according to the current health record format. In accordance with the Code of Laws of South Carolina as amended in 1976, information "housed" in the medical record has a retention of 10 years (for adult records) and 13 years (for minors' records; and the patient is at least 18 years old at the time the record is destroyed).
