### Yamaha Genuine Apparel

**Enduro Jacket**  
Whether you're competing in enduro, participating in a rallye raid or simply enjoying a bit of adventure riding, you always need to be wearing the right jacket. Featuring a ventilated inner liner, ventilated pockets and removable sleeves, Yamaha's Enduro Jacket helps you keep cool whatever the conditions. Size: S-XXL - £127.99

**Yamaha LAB Clothing**  
Life is an experiment, it's an adventure and the Yamaha Lab range offers adventurous contemporary styling and design. Consisting of hoodies, sweaters, knitted tops and t-shirts, Yamaha Lab is perfect for those casual occasions.

**Paddock Blue Clothing**  
A stylishly casual way to show their allegiance to Yamaha and its racing heritage, combined with top quality design, materials, fit and finish. All garments are Yamaha Racing blue, featuring white embroidered logos and pale grey/white detailing. Long sleeve garments also feature innovative diagonal logos around the forearm to add a unique style.

**Iwata Clothing**  
Yamaha has put a lot of effort into creating a range of riding kit and casual wear that fits the Yamaha ethos of individuality, exclusivity and authenticity with a pure Japanese inspired style. This line-up is based on Iwata, the base of the Yamaha factory and the birth place of Yamaha.

### Yamaha Genuine Parts

**Genuine Spare Parts**  
Genuine parts originate from the same drawing board as where your machine was designed. Yamaha values your safety and enjoyment of your machine. With genuine spare parts Yamaha contributes to those two factors because of the perfect fitment, ultimate quality and the educated advice from your authorised Yamaha dealership.

**Yamalube Oil**  
Yamaha vehicles are built to the most exacting standards. Wanting the best for our products, Yamaha's engineers found that conventional engine oils couldn't provide the performance and protection to meet their high standards. The Yamalube® oil series was developed to be the perfect oil for each vehicle in the Yamaha range.

**Yamalube Carelines**  
Taking care of your Yamaha is not only about looking after the inside, it is also about taking care of the outside. That is why Yamaha engineers developed the Yamalube® Careline series. Yamalube® careline products have been specifically designed to help take care of your Yamaha's exterior bodywork and components.

### The Yamaha Chain of Quality

Yamaha technicians are fully trained and equipped to offer the best service and advice for your Yamaha product. For this reason, Yamaha strongly recommends visiting an official Yamaha dealer for all your service requirements. Yamaha Genuine Parts & Accessories are especially developed, designed and tested for our Yamaha product range. Yamaha also recommends the use of Yamalube®. Yamalube® is our own range of high-tech lubricants, the lifeblood of Yamaha engines. They are developed to carry on working effectively, no matter where you ride. Besides functional and style accessories, Yamaha offers a range of high quality, innovative riding gear designed to keep you comfortable and protected, both on- and off-road. An extensive range of casual wear is also available. For more information go to: [www.yamaha-motor.co.uk/accessories](http://www.yamaha-motor.co.uk/accessories)
