**EACH AUTHOR MUST SIGN THIS STATEMENT.
SIGNATURE CERTIFIES COMPLIANCE WITH EACH OF THE FOLLOWING STATEMENTS.**

Authorship: This manuscript is the original work of the undersigned, each of whom has read and approved of the work. Each author satisfied the requirements contained in 'Author Guidelines', having participated sufficiently in the work to take public responsibility for the content.

All authors must take responsibility for the integrity of the work. Participating solely in the collection of data does not justify authorship.

Prior publication: This work is not currently under consideration by any other journal. Information about prior publication of any part of this work, or inclusion of patients detailed herein in any other work, has been provided in the cover letter.

Conflict of interest: Details of any financial or other relationship between any author and any other party that may lead to a conflict of interest with the subject or any materials mentioned in this article have been disclosed in the cover letter.
