and that prices reflected by the proposal will be firm through the proposal processing time and the delivery of items awarded.

13. **Lobbying:** Proposers are hereby advised that they are **not** to lobby with any District Personnel or Board Members related to or involved with this proposal. All inquiries must be written and directed to the Department of Procurement Services.
  - a) Lobbying is defined as any action taken by an individual, firm, association, joint venture, partnership, syndicate, corporation, and all other groups who seek to influence the governmental decision of a Board Member or District personnel on the award of this contract. Lobbying by any Proposer or any individual on behalf of a Proposer will result in rejection/disqualification of said proposal.
  - b) Violation of this provision regarding lobbying may also result in disqualification of the Proposer from participation in competitive solicitations with The District for the duration of the document contract period or for some other term, at the recommendation of the Assistant Director of Procurement and as acted upon by the Superintendent and the School Board, as appropriate.
14. **Prompt Payment Discount:** Cash discount for prompt payment of invoices, if offered, shall not be considered in evaluating proposals and making awards. Cash discount terms, if offered in the proposal, must be clearly indicated on each invoice.
15. **Brands:** Proposers shall indicate, for each item proposed, the name and model of the brand being proposed. Use of brand names, trade names, make, model, manufacturer, or Vendor catalog number in the specifications is for the purpose of establishing a grade or quality of material only. It is not The District's intent to rule out other competition; therefore, the phrase "OR APPROVED EQUAL" is added, unless otherwise indicated in the specifications. However, if a product other than specified is proposed, it is the Proposer's responsibility to submit, with the proposal, samples, descriptive literature and/or detailed specifications which illustrate the product sufficiently for evaluation; unless sufficient literature or specifications are currently on file in district offices. Proposals received without this information, or with insufficient information, as determined by the evaluation committee, may not be considered. If the words "ONLY" or "NO SUBSTITUTES" appear in the specification, then no other brands, trade names, makes, models or manufacturers shall be considered. The District shall be the sole judge concerning the merits of proposals submitted. Once an item is awarded from this proposal to a Proposer, no substitution of brands shall be permitted. If a Proposer does not indicate what he is offering in the proper blank and if the Proposer is successful in being awarded the item(s) then the Proposer shall be obligated to furnish the item(s) specified by The District.
16. **Warranty/Guarantee:** All materials and/or services furnished under this proposal shall be warranted by the Vendor, distributor and manufacturer to be free from defects and fit for the intended use. Unless otherwise requested, the items proposed must be new and equal to or exceed specifications. The manufacturer's standard guarantee or warranty shall apply. During the guarantee or warranty period, the Vendor must repair and/or replace the unit without cost to The District with the understanding that all replacements shall carry the same guarantee or warranty as the

original equipment. The Vendor shall make any such repairs and/or replacements immediately upon receiving notice from The District.

17. **Proposal Evaluation and Award:** Proposals shall be reviewed in accordance with the RFP specifications and conditions and the best interest of the District. The District reserves the right to accept or reject any or all proposals in part or in whole, waive minor variations, informalities, irregularities, omissions or technicalities, request new proposals, and/or consider alternate proposals which meet the general specifications set forth. Proposals which contain any alteration, addition, conditions, limitations, unauthorized alternates or show irregularities of any kind may be rejected by the District. The District reserves the right to award proposals on such products and/or services it deems will best serve the District's best interest from the standpoint of price, quality, and suitability for the intended purpose and any other determining factors.
  - a) Proposers will be evaluated and ranked based on their written responses to the grading criteria specified herein. Based on the rankings, one or more firms may be selected to commence negotiations. The District reserves the right to create, and select respondents from a "short list" in order to enter into final contract negotiations with one or more Proposers, with the intent of awarding a contract and producing terms and conditions to reflect the outcome of the negotiations. The District reserves the right to negotiate individually or collectively with the top ranked firms. Proposers invited to negotiate shall make available at each and every negotiation their representatives with the responsibility and authority to legally commit the Proposer to final terms and conditions. Proposers are cautioned to present their best offer with their proposal as the District may select a proposal for award without further negotiation.
  - b) After evaluation, ranking, and/or negotiation of one or more proposals, a tabulation of the responses with intent to award shall be posted for review by interested parties at the office of the Department of Procurement Services and shall remain posted for a period of no less than three (3) days. This information shall also be posted on School District of Lee County's website <http://procurement.leeschools.net/bids.htm>.

Proposers who are awarded a contract resulting from this RFP are cautioned not to provide goods or services to any District site or to any District employee prior to receiving purchase orders issued by the District's Department of Procurement Services. Notification of Award is not to be construed as authorization to provide goods or services.
19. **Contract Documents:** The submission of a proposal constitutes an offer by the Proposer. Upon Board approval the Department of Procurement Services will issue a letter of award. The District does not anticipate issuing a specific contract document for this award, however the District does reserve the right to request the Proposer enter into a separate contract if determined to be in the best interest of the District. If a specific contract document is not requested, this RFP, any addenda to this RFP, the submitted proposal, and the corresponding purchase order(s) and change order(s) will constitute the complete agreement between the successful proposer and the District. If a specific contract document is requested by the District, it shall be included with the above mentioned items as part of the

contract agreement. Each proposal is received with the understanding that an acceptance in writing by The District of the offer to furnish any or all of the services and materials described shall constitute a contract between the Proposer and The District. This contract shall bind the Proposer to furnish and deliver the services and materials quoted, at the prices stated and in accordance with the condition of said accepted proposal. It is agreed that the Proposer will not assign, transfer, convey or otherwise dispose of the contract or its right, title or interest in or to the same, or any part thereof, without previous consent of The District and any sureties.
