

**SANTA BARBARA CITY COLLEGE (SBCC)
2012-13 CALIFORNIA STATE UNIVERSITY GENERAL EDUCATION BREADTH PATTERN**

The General Education Breadth Pattern (GEB) for the California State University system (CSU) specifies courses within subject areas that will satisfy the 39 lower division G.E.B. requirements at any campus of the California State University system. Students can transfer up to 70 semester units from the community college(s) attended.

I. CSU ADMISSION REQUIREMENTS - Refer to CSU Mentor website for CSU admission information (<http://www.csumentor.edu/planning/transfer/>)

II. CSU GENERAL EDUCATION BREADTH OBJECTIVES AND REQUIREMENTS

SBCC strongly recommends completion of the SBCC-CSU lower division G. E. B. pattern (39 units minimum) prior to transfer. Completion of the CSU GE Breadth pattern qualifies students to receive a Certificate of Achievement from SBCC. Completion of the G.E. requirements is not required for admission to CSU. However, students who do not complete all the lower division G.E. requirements will not be fully "certified." As a result, these students will be subject to additional G.E. requirements after transfer. Some campuses are moving toward requiring full completion of lower division general education before transfer. Please refer to the respective CSU campus catalogue for campus-specific G.E.B. requirements. Even though a course may be listed in more than one area on CSU GE, a course may only be counted in one area for certification. **In order to graduate from the CSU, a minimum of 9 additional upper-division semester units from areas "B", "C", and "D" must be completed at the student's CSU campus of choice after transfer.** Students have the option of completing IGETC to fulfill the G.E requirements for CSU. For more information about IGETC, visit SBCC's website at <http://www.sbccc.edu/transfercenter/files/IGETC.pdf>.

III. SBCC's CSU CERTIFICATION PROCESS:

Certification must be requested after the student completes the CSU GE Breadth requirements. Certification applications may be obtained from the Transfer Center (SS140) or at http://www.sbccc.edu/transfercenter/files/CSU_GE_Certification_Application.pdf and must be submitted to the Transfer Center. Certification will not be processed when courses are still in progress or before grades are known. Certification is the responsibility of the *last* California community college a student attends prior to transfer. Students must attach their *official transcripts* from other colleges to their request for certification unless they have already submitted an *official copy* to SBCC's Admissions and Records office.

* If a student passes more than one AP exam in computer science, only one examination may be applied to the baccalaureate.

♦ If a student passes more than one AP exam in calculus, only one examination may be applied to the baccalaureate.

If a student passes more than one AP exam in physics, only six units of credit may be applied to the baccalaureate, and only four units of credit may be applied to a certification in GE Breadth. Students who passed the Physics B test before Fall 2009 will receive 6.0 units (instead of 4) of credit toward CSU GE certification.

@ Students who pass AP Environmental Science earn 4 units of credit for CSU GE Breadth. Tests prior to Fall 2009 may apply to either B1+B3 or B2+B3 of GE Breadth. Fall 2009 or later, those credits may only apply to B1+B3.

~ 6 semester units for CSU GE Breadth certification, if test was taken prior to Fall 2009.

% Students seeking certification in CSU GE Breadth Area C2 (3 units) prior to transfer must have passed the test before Fall 2009.

Ω Students seeking certification in CSU GE Breadth Area C1 (3 units) prior to transfer must have passed the test before Fall 2009.

^ If a student passes more than one CLEP test in the same language other than English (e.g., two exams in French), then only one examination may be applied to the baccalaureate. For each test in a language other than English, a passing score of 50 is considered "Level I" and earns six units of baccalaureate credit; the higher score listed for each test is considered "Level II" and earns additional units of credit and placement in Area C2 of GE Breadth, as noted.

	CSU GRADUATION REQUIREMENT IN U.S. HISTORY, CONSTITUTION AND AMERICAN IDEALS This requirement may be met before or after transfer to the CSU. At the discretion of the CSU campus granting the degree, courses meeting this requirement may also be counted toward certification in general education. Students satisfy this CSU graduation requirement through coursework in three areas: US-1, US-2 and US-3. A student must take one course from each of the three areas. A student may use the same course to satisfy more than one area (US-1, US-2, US-3), if applicable. Note: The combination of HIST 101 <u>and</u> 102 (or 102H) may also satisfy this requirement but ONLY if both courses were completed before Fall 2004.
