To All Coaches of BYSA Basketball,

This letter is to inform you that the BYSA Basketball will be doing criminal background checks again this year on all of our Committee Members and Coaches. It has become commonplace in our society to run background checks on all volunteers in our school systems, and numerous child and sports organizations within our area. Our committee has unanimously agreed that in order to better serve our community that we too should adopt a policy for these adults who will have direct contact with our youth.

As of now, these checks will be done at no cost to the volunteer, thru the "Vermont Criminal Information Center." All information will be kept strictly confidential. Information cannot be shared with other organizations; therefore if you have already had a check thru Barre Youth Baseball or another local organization, we cannot ask them for information on you.

The form is quick and easy to fill out and we will have our own Notary's available to sign the form for you.

New adult volunteer registrations and applications will clearly advise applicants that a criminal background screening will be conducted, a signature on the application will be consent to conduct the background check, and certify permission to use the resulting report. Background checks require a Social Security number.

Thank you for your dedication to our basketball program and more importantly our children.

Sincerely,

Trent Benoit
Program Coordinator
