

# THE RIDGE

MARCH 2010

## PTSA NEWS & EVENTS

### FROM THE PRESIDENT:

I am glad that our children and teachers survived the first semester of the school year successfully. These past few months were full of memorable events at the Ridge for our students, parents, and faculty. Our school celebrated several successes. Many thanks to our administrators, teachers, parents, students, and our community members for your contributions towards an outstanding first semester at Mariotts Ridge High School,

Many of us missed the scheduled conferences with our children's teachers due to the snow storm in February. Please contact your children's teachers and counselors either by email or telephone to ensure that you and your child's teachers are on the same page. It's never too late to mend.

Are you interested in serving our most precious members of our community? It's that time of the year when we need advocates, leaders, and volunteers to serve in several positions in the Mariotts Ridge High School PTSA as elected officials and committee chairs. The MRHS PTSA executive board will be forming a

nomination committee to oversee the election of officers for the 2010/2011 school year.

Need money for college? Through your generosity to the MRHS PTSA funds the organization will be awarding three scholarships this year to three of our seniors. Also, the PTACHC offers four types of scholarships, and the applications are available in the guidance office or on [www.ptachc.org](http://www.ptachc.org) website. Applications are due on April 20, 2010.

The MRHS PTSA is joining the Howard County Board of Education in the celebration of March as the Women History Month and also for designating March 2010 as Youth Art Month in the Howard County Public School System.

There are several scheduled events in the next several weeks for our children, please come out to support and promote our programs with your time by volunteering.

Our next PTSA meeting is scheduled for March 8, 2010 at 7pm. All members are welcome to join us. Bring your thoughts and ideas to share with the executive board members.

Thank you for allowing me to serve you!  
Irene Bademosi, PTSA President

Also . . . .

EXAMS! – Three days of focus ... study ... intensity ... pressure ... anxiety ... accomplishment ...

MRHS-TIVAL! Three hours of ... fun ... community ... laughter ... family ... competition ... food ... conversation with friends ... relaxation ...

On Friday evening, January 22, MRHS experienced another 'famous first' – the MRHS-TIVAL!

With fierce Gladiator Jousting, competitive 3x3 basketball tourney(do you know which boys' team fell to which girls' team?), frolicking Festival Bouncing, gut-wrenching Bungee Sprinting, hilarious Improv Comedy, ever-fun Karaoke, and passionate giving to Haiti (over \$230 contributed!) made it a time to remember and already clamoring is heard 'let's do this again soon!'.

Many thanks to the MRHS Family and Community Cohort led by Terry Eberhardt, to the PTSA, to The Boosters, as well as to many parent, student, faculty and administrator volunteers– a job well done!

AND. . .

**HC DrugFree** in coordination with the Wilde Lake High School PTSA, is hosting the debut of a new program on **April 27th, 2010 from 7PM - 8:30 PM in the James Rouse Theater** (located at Wilde Lake High School). "HAZE" - *the Perils of the College Drinking Culture in America* profiles a true and tragic story of Gordie, an 18 year old College freshman.

**"HAZE" - The Perils of the College Drinking Culture in America**

Program Description: On Sept 16, 2004 Gordie, an 18 year old freshman at the University of Colorado, pledged a fraternity. The next morning, he was found dead - a victim of an irresponsible hazing ritual involving alcohol. This Howard County debut of the Gordie Foundation DVD "HAZE" will shed light on the severity of college binge drinking, destructive drinking games and hazing, and will also include a presentation and discussion led by Gordie's stepdad. This is a must see presentation for teens and parents.

Speaker: Gordie's stepfather, Mr. Michael Lanahan, is traveling all the way from Texas for this presentation.

**NEIGHBORHOOD SAFETY NEWS!!!**

The **Make Route 32 Safe** committee, which has been working since last summer for safety improvements to MD 32 from Route 70 north to the county line, is trying to make sure that other members of our community know about a proposal before the Howard County Zoning Board to rezone property at the intersection of Livestock Road and MD 32 to allow a Highs gas station and convenience store.

The original rezoning request by Highs was denied by the county because of traffic safety concerns at the intersection. Highs has made a few revisions to their proposal, but the Make Route 32 Safe committee has serious objections to an increase in cross traffic activity in an already dangerous area.

We are trying to make sure that members of the Marriotts Ridge community are aware of the zoning hearings, as they have not been well publicized. The next hearing is

scheduled for **Wednesday, March 10 at 7 pm** at the county offices in Columbia behind Apple Ford. (8930 Stanford Blvd, 21045)

The safety committee would greatly appreciate any input and your attendance by Marriotts Ridge High School families at this meeting. We encourage our neighbors to take a look at the website for more information. I believe there is a link to a Facebook page with the same info, too.

<http://makeroute32safe.com/makeroute32safe.com/MakeRoute32Safe.html>

The safety committee is objecting to the proposed Highs based on traffic safety issues on MD 32. There will likely be other members of the community who support or object for other reasons. Anyone who plans to speak should make sure that they sign in when they enter the hearing room.

Zoning Board Schedule PLEASE NOTE THAT EFFECTIVE OCTOBER 20, 2008, ALL ZONING BOARD HEARINGS WILL BE HELD AT 8930 STANFORD BLVD., COLUMBIA, MARYLAND.

ALL ZONING BOARD HEARINGS TO BEGIN AT 7:00 P.M.

**ZONING BOARD MEMBERS:**

Jennifer Terrasa, Chairperson

## 4<sup>th</sup> Annual After Prom News

**After Prom Event Saturday, May 9th,  
2010**

[immediately following the Prom from  
midnight to 5am]

Hello, welcome to the 1st 2010 After  
Prom Planning Communication.

The reason for a PTSA to host an After-Prom is not to provide more great memories on Prom night; it's to provide a safe alcohol and drug-free celebration. Statistics demonstrate that the two highest risk nights for teens are prom and graduation nights when peer pressure for risky behavior is very high. Popular culture promotes the message that alcohol and drugs are needed to have fun and celebrate an important occasion. It isn't effective to tell our students to refrain from these activities. Teens will celebrate on prom night, but how they celebrate is greatly affected by the options that the students have. There is a great need to give them an alternative celebration, which will give teens

the experience of celebrating without alcohol or other drugs. **After-Proms fill that need!**

The 2010 APP Committee will begin to lay the ground work for the 4th Annual MRHS After-Prom Party, it promises to be a night of entertainment, food, fun, and prizes! You can help us make the After-Prom Party the party of choice.

**DONATE:** Throwing a top notch party is expensive and your donations of money, gift cards, and prizes are necessary. Visit the After-Prom website for more information at  
<http://www.marriottsridge.net/afterProm.php>.

**VOLUNTEER:** Regardless of your student's grade, we need people who can do everything from planning activities, to contacting the community for prizes, to working the night of the party. Get involved, give your time on a committee and commit to creating a terrific night for students. This year we're in dire need of a Prize Chairperson and someone with experience in FUNDRAISING.

**SUPPORT:** Thank you for supporting our past fundraisers (Pasta Dinner and Gift Wrap Sale).

**NEXT MEETING:** Our next meeting is scheduled for Thursday March 4th at 7:00 pm, please join us to discuss the Basket bingo and Yankee candle fundraisers. We're still looking for volunteers / chairs for different needs, most importantly a PRIZE coordinator.

Thank you for your time and interest, I hope you can make the meeting.

**UPCOMING After Prom  
FUNDRAISERS!!!!**

## Basket Bingo:

Basket BINGO Volunteers Needed! MRHS is planning their 1st Annual Basket Bingo to support the After Prom Party. We are in need of volunteers to fill the many opportunities. The event is being held at the Winfield VFD on March 26th from 7-10 pm. Currently, volunteers are needed to help with food, ticket sales, basket prep, and so much more. If you are available to help out on the 26th, please contact Cathy Lein at 410-336-6738 or [cathy\\_lein@hotmail.com](mailto:cathy_lein@hotmail.com). Or if you just want to play and have fun, an order form is included in this newsletter for advance discounted tickets. Help us make this a great event! Hope to see you there.

With great appreciation!

## SOPHOMORES AND JUNIORS: Please SAVE these dates!

The Marriotts Ridge HS PTSA is pleased to announce that once again we will have Dr. Gagnon's SAT-PSAT prep course at our school. Please save these dates:

March 1, 3, 8 and 10, 2010 (7-9:15 pm). The fee will be \$225. Register on-line: [MarthaGagnon.com](http://MarthaGagnon.com) in January. Don't miss this opportunity to prepare for these important exams!

We're looking for your help to continue supporting our students. Please join the Mustangs Booster Club (membership forms or registration by Visa/Mastercard available at [www.mrhs-boosters.com](http://www.mrhs-boosters.com)). Please support our concession stand by volunteering your time to dish up nachos and hotdogs, or by eating those nachos and hot dogs while you're taking in a game at The Ridge! Mustang Madness will be here before you know it, and we hope you will join us for a fun night out -- new venue and activities -- watch for details to come soon. And last but definitely not least, you can support our students by actively participating in the Boosters Club by becoming a member of the Board of Directors and/or volunteering your time to chair a committee. We've always got room for additional volunteers!

Join us for a meeting -- 7 p.m., usually the 2nd Wednesday of the month (watch e-news for details), room #116 (enter through back/stadium door, first classroom on the right.) We hope to see you there. If you have any questions, just get in touch [suetompkins@comcast.net](mailto:suetompkins@comcast.net).

## **eScrip**

Most of you know this program as the one where you register your **Safeway** grocery card and the school gets credit. This is called eScrip and it has grown to be so much more. The full name is Electronic Scrip Inc., and it is a means to raise funds for your designated school just by doing your everyday purchases. The scope has broadened to an Online Mall shopping capability. For those who purchase items on the internet, this can be a huge benefit to MRHS. They have upwards to 2,000 merchants on board with each donating back to the school anywhere from 1%-16%

of the purchase price. You can download AutoEARN on your desktop or laptop and the contributions are electronically credited to the PTSA bank account monthly. You will see a pop-up stating "4% is being contributed" ...when you enter the merchants website so there is no need to know which merchants are enrolled in the program, it does it for you. You will be surprised at all of the familiar companies like eBay, Staples, Sears, American Eagle, Nordstroms, Barnes & Noble, ...the list goes on forever! Take a few minutes to check out the website [www.escrip.com](http://www.escrip.com) and register your credit/debit cards. While you're on the website, check out the Dining rewards program also. Several restaurants in our area are also making contributions to MRHS when you use your registered Credit or Debit card. Places like Jilly's, Shannons, Kelseys, Candlelight Inn, and so many others! It's amazing how only a few dollars from each family can add up to be thousands of dollars for the MRHS PTSA, which will be used for your childrens benefit. And the best part is you don't have to spend any more than you would normally, the merchants are contributing the money back to the schools. No pizzas, cookie dough,.... ...you buy just what you need!

There is a form included in this newsletter to help you with gathering your info. Also, if you prefer, complete the form and send it in to school and the information can be input for you. Should you need assistance with the website or have any questions, please feel free to contact me at [cathy.lein@hotmail.com](mailto:cathy.lein@hotmail.com) or **410-442-4242**. The more people that register, the more benefit to our students.

---

### **Giant & Martins A+ School Rewards**

Thousands of dollars have been contributed to MRHS just by registering your grocery cards at Giant Food [www.giantfood.com/aplus](http://www.giantfood.com/aplus) and Martins

Grocery [www.martinsaplus.com](http://www.martinsaplus.com) . These 2 programs are called A+ School Rewards/Bonus Bucks. It only takes a minute to complete each of these registrations and a percentage of all of your purchases will be credited to the school.

There is a form included in this newsletter to help you with gathering your info. Or, if you prefer, complete the form and send it in to school and the information can be input for you. Should you need assistance with the websites or have any questions, please feel free to contact [cathy.lein@hotmail.com](mailto:cathy.lein@hotmail.com) or **410-442-4242**.

### **VERIZON VELOCITY**

Looking to change or upgrade your Verizon phone services. Maybe you are looking into FiOS or DIRECTTV! Possibly a change to your internet services. See the attached flyer in this newsletter and help your school earn a donation of up to \$65. The same great offers are available to you, just provide the MRHS code #13501 to the Verizon representative, and we get a donation from Verizon.

## **Information Center News!** **Lynn Rashid, Media ITL**

The MRHS Information Center is pleased to announce that students and parents now have access to a valuable college and career preparatory site- Gale's *Testing and Education Reference Center*. This site offers full text AP study manuals, test prep materials and practice tests for high school, college, career and graduate school exams such as the GED, SAT, ASVAB, police officer and firefighter entrance exams, GRE, TOEFL, U.S. Citizenship- the list goes on and on! Another highly useful tool is the Family College Planning Center where students can search for personalized scholarships and financial aid options. Students and parents can access this resource at home using the same database username and password for

sites such as *Science Resource Center* and *Student Resource Center* that can be found on the yellow cards sent home in English classes this past Fall. Email Mrs. Rashid with any questions at [lrashid@hcpss.org](mailto:lrashid@hcpss.org)

Don't miss the Marriotts Ridge Theater Department presentation of Richard Rodgers and Oscar Hammerstein II's **OKLAHOMA!**. Based on the play *Green Grow the Lilacs*, the story is a simple tale of cowhands and

farmers finding love and community in the Oklahoma territory. A milestone for its fusion of story, song and dance, **OKLAHOMA!** was the first of nine musicals by Rogers and Hammerstein and the first real phenomenon in modern Broadway history, running for 5 1/2 years. **More than 100 students** are working on stage and behind the scenes to bring this rousing musical to life. Bring your family to the **Hoedown picnic** at 1:30 PM before the 3:00 PM Sunday Matinee on March 21 and enjoy lunch, roping and dance demonstrations for just **\$5**.

**Oklahoma! performances are: March 18, 19 and 20 at 7:00 PM and March 21 at 3:00 PM.**

For show ticket information, visit the Marriotts Ridge High School drama website at: [www.mrhstheatre.org](http://www.mrhstheatre.org).

Reserve your pre-show hoedown tickets by emailing your request to: [hoedowntickets@gmail.com](mailto:hoedowntickets@gmail.com).

**SPECIAL for MRHS Students and Families:** Discounted tickets may be purchased for just **\$9** each in the cafeteria during lunches the week of the show, March 15 -19.

**We offer the 36-hour Maryland MVA approved course. The course is comprised of 30 hours of classroom and 6 hours of car-training.**

What is Driver Education?

Thirty (30) hours of classroom instruction: There will be 10 sessions, each session will be 3 hours and 15 minutes long with a 15-minute break between each 1-1/2 hour. Classes run Monday through Friday for two weeks (excluding holidays). Six (6) hours of in-car training. There will be three sessions lasting two hours per session. Driving times are made by appointment and may fall on any day of the week at any time. Remember NO permit is needed to start the course.

Any Maryland resident over the age of 15 interested in obtaining a drivers license must take this class.

**Phone Number:**                                      443-355-4238

What separates Street Smarts from every other driving school in the region is our commitment to the safety of our students. That is why our new driver training is more in-depth and practical to all of our students.

Our standard curriculum consists of thirty-three (30) course hours of classroom instruction followed by eight (8) hours of practical behind-the-wheel training.

With a three (3) hour block of instruction devoted exclusively to defensive driving, it's easy to see how the instructors at Street Smarts place their emphasis and commitment on developing safe driving habits for all their students.

## **COMMUNITY SERVICE OPPORTUNITY!**

Hello!

My name is Kelly Klein and I am a Howard County resident, as well as a graduate of River Hill High School ('04). I'm now the Community Outreach Coordinator for a grassroots initiative called [Pick Up America \(PUA\)](#). We're a small group of recent college grads who have decided to walk across the country and pick up trash. Along our journey, we're encouraging a zero-waste culture in which community stewardship is well nurtured. During the day, we'll coordinate roadside and community trash clean-ups, as well as youth educational opportunities. At night, we'd like to have potlucks and other community events to meet new and interesting folks around the country. We're walking this path to encourage a sustainable future for all Americans and we'd like to share our journey with your community.

**We will be coming to Howard County from April 12-13th.** We are hoping to partner with local schools to co-sponsor our [evening events](#). We're able to offer a range of educational workshops and would love to present to an area school. We're able to offer a range of educational workshops for any age about zero-waste economies, watershed restoration, cultural sustainability, and creative movement.

We are also planning roadside clean up in the area on April 5th and 6th, and would love to partner with area high school students on this important and exciting endeavor. This is a great opportunity for students to complete required service hours. In agreeing to the partnership, we would only ask that local schools and/or Honor Society supervisors help generate volunteers and advertise to students about the clean up. We will provide all volunteers with gloves, trash bags, grabbers, and reflector vests. We will also coordinate to have the trash we clean together picked up.

Could you please forward this information to anyone who may want to get involved? Please feel free to send it out if you have a newsletter or list-serve.

If you or anyone else is interested in partnering with us, please contact me at [kellypklein@gmail.com](mailto:kellypklein@gmail.com). I have attached our Partnership Form with some more information about partnering with PUA as well as our overview. Please fill out the Partnership Form and e-mail it back to me if you would like to organize an event or attend a clean up.

Thank you for your time and consideration! You can follow our adventure at our website [www.pickupamerica.org](http://www.pickupamerica.org). There you can find the blogs, photos, videos, and even music documenting our experiences throughout this journey. If you know of other organizations or individuals who may be interested in this cause, please let me know and/or forward them our information. I look forward to hearing from you!

Best,

Kelly

# Giving is as Easy as Shopping!

Last year Marriotts Ridge High School families raised thousands of \$\$\$'s for the students just by doing their normal shopping. It only takes a few minutes of your time to complete the information and send this form back in to school with your student or gather the info and input it yourself. Just add your grocery card info and credit/debit info. By having these accounts entered into the eScrip database, ANY purchase you make Online or at one of the over 2,000 merchants & restaurants using the registered credit cards will give your school a contribution of 1%-16% of your total purchase automatically! All you have to do is shop, shop, shop! Some of the great merchants available are PetMeds, Kohls, American Eagle, Amazon, eBay, Staples, Office Depot, Toys-R-Us, Sears, Aeropostale, UnderArmour, Travelocity, and hundreds more!
