

*****NOTICE*****

The BAPTIST HEALTH Schools Little Rock- School of Nursing (BHSLR-SN) Accelerated Track will offer a hybrid option (in addition to a traditional face to face option) for the identified courses to a limited number (20)of selected students beginning in Spring 2010. The hybrid course option will be a combination of online and face to face learning. There is no additional fee for hybrid courses at this time.

Spring 2010

NSG3007 Professional Nursing Transition

Fall 2010

NSG 4206 Professional Roles in Nursing Practice

Additional nursing courses as identified in the professional curriculum are required to be taken via face to face traditional method. You may view the professional curriculum and course description in the Catalog at www.bhslr.edu.

Applicants that are interested in the hybrid option(s) must complete the application process in its entirety as identified in the schools Catalog, located at www.bhslr.edu, and following selection notification should do the following:

1. Complete and submit a Hybrid Course Request form, and
2. Take the following two quizzes (located at the link below) to help you decide if an online course is right for you and submit documentation of quiz completion with Hybrid Course Request form.

Preference selection into the hybrid option is given to selected applicants, until limited hybrid course size is filled, with:

1. Prior successful online/ web based / distance education experience,
2. A larger number of required general education and sciences courses completed.

Applicants approved to take the hybrid course options are required to:

1. Attend the scheduled BAPTIST HEALTH Schools Little Rock- School of Nursing Welcome Day and Orientation and face to face activities as identified within the course.
2. Successfully complete the program of study as identified in Educational Plan, and
3. Comply with BHSLR and BHSLR-SN policies and guidelines.

I am interested in enrolling in the BAPTIST HEALTH Schools Little Rock- School of Nursing (BHSLR-SN) Accelerated Track hybrid option for the following course(s):

Spring 2010
NSG 3007 Professional Nursing Transition

Fall 2010
NSG 4206 Professional Roles in Nursing Practice

I understand that in addition to the hybrid courses, I must be registered for the remaining nursing courses and the required general education and science courses as identified in the professional curriculum.

In addition, I understand that approval for registration in the hybrid option is dependent on acceptance into BHSLR-SN Accelerated Track and is at the discretion of the school and that submission of a request does not guarantee acceptance. Submission of the Hybrid Request form does not replace the registration process.
