

GET INTO FOOD IN A BIG WAY

TRAGUS

Team Member Application Form

ALL ABOUT US

Tragus is into food in a big way. We own some of the UK's most exciting restaurants and brasseries, including Café Rouge, Bella Italia and Strada. We're big on training, big on rewards and big on giving you the chance to grow with one of the largest independent restaurant groups in the UK. Please use this form to apply for a job as a Team Member, working either front of house as waiting or bar staff, or in the kitchen as a chef or kitchen assistant.

If you're ambitious, it's worth noting that many of our managers started out as Team Members and worked their way up. We also recruit students and people who want to work seasonally. The choice is yours.

Good luck with your application.

THE WAY WE WORK

Quality, value, image and conduct mean everything at Tragus. So here are a few things you need to feel comfortable with before joining us.

Flexibility

We ask you to be flexible when it comes to your hours and duties and sometimes, your location. The more flexible you are, the better. You also need to be punctual.

Teamwork

We love individuality as much as we love teamwork. Everyone here pulls together as a team. Working for each other, as well as with each other, is what success with Tragus is all about.

Customer Service

The customer always comes first, so you must always be polite, efficient and helpful, no matter how your day is going. If you are serving friends or relatives, it's important that you treat them as you would any other customer - no favours, no discounts, no behind-the-scenes tours.

Personal Hygiene

This is vital in our business. Your hair, face, hands and body must be clean, your nails well scrubbed and manicured and unvarnished, your appearance smart and well groomed. We don't normally accept facial jewellery or unusual hairstyles. Long hair should be tied up or back. We may also ask you to cover up any visible tattoos.

Uniform

Your role may mean wearing a uniform. If so, it's your responsibility to make sure it's clean, ironed and in good repair at the start of every shift. If you don't have to wear a uniform you still need to start your shift in smart, clean and ironed clothes.

If you are successful with this application, we'll give you a contract of employment and an employee handbook on your first day. Everything you need to know about the policies and procedures relating to your employment with Tragus will be in these.
