About this form

We have provided you with the enclosed claim form on behalf of your local council. The form and these notes are produced nationally, which means we cannot provide contact details for your particular council. You can find their details in your local phone book.

We have designed this claim form to be easy to fill in. It may look rather long, but there have to be enough questions to make sure that everyone who claims gets the right amount of benefit.

You may not have to fill in all parts of the form (for example, a few questions would not apply to most pensioners) but you must fill in any part that is relevant to you. Every part starts with a question to help you decide if you need to fill in that part.

About Housing Benefit and Council Tax Benefit

Housing Benefit can pay all or part of your rent. It may also give you some extra money towards things you have to pay for, like cleaning shared areas. Council Tax Benefit can pay all or part of your Council Tax. It cannot help with water charges or, if you live in Scotland, the Scottish Water Authority water and sewerage charges.

Second Adult Rebate

Second Adult Rebate is Council Tax Benefit for people who may not have a partner but who share their home with someone who:

- is 18 or over
- is on a low income, and
- does not pay them rent.

If you are just claiming *Second Adult Rebate*, only fill in **Parts 1**, **3**, **14**, **15**, **16** and **17** of the form.

Proof

Your local council will need to see proof of some of the things you write about on the form. There is a checklist in **Part 15** of the form to help you. If you are not sure if your council needs to see proof of something, get in touch with them. They will tell you what they need to see. They cannot pay you benefit until they have seen the proof they need.

Filling in the form

Use black ink to fill in the form. Do not use pencil. If you make a mistake, just cross it out and put the right answer next to it. Do not use correction fluid or tape.

Answer **No** or **Yes** questions by putting a **tick** in the relevant box. If you are picking an answer from a list of answers, **tick** the box which applies to you. Do not put a cross in any boxes. If you answer a question with a cross, your local council may have to send the form back, and this will delay the claim.

If someone else fills in the form for you, there is a special space for them to sign.

If you need help to fill in the form

If you need any help, contact your local council. You can find their phone number and address in the business numbers section of your local phone book.

Or you can get in touch with an organisation like your local Citizens Advice Bureau. You can also find their phone number and address in the business numbers section of your local phone book.

What to do next

When you have filled in the form, sign it and send it to your local council with the proof they need to see.

Or you can take the form and proof to your nearest council benefit office. Do not send valuable items such as benefit order books, bank books or passports in the post. Take them to your council's reception and they will get the information they need and give them back to you.

If you cannot get the proof they need straight away, do not worry. Send the form to them with the proof you do have and let them know that you will be sending some proof later. If you do not send the form to them straight away, you might lose money.

Do not send valuable items such as bank books or passports in the post.

How your local council collects and uses information

Your local council will use the information you give in this form, and in any supporting proof you send, to process your claim for Housing Benefit and Council Tax Benefit.

They may pass the information to other agencies or organisations such as the Department for Work and Pensions and HM Revenue & Customs, as allowed by the law.

They may check information you have provided, or information about you that someone else has provided, with other information they hold. They may also get information about you from certain third parties, or give information to them to:

- make sure the information is accurate
- prevent or detect crime, and
- protect public funds.

These third parties include government departments, other local authorities and private-sector organisations such as banks and organisations that may lend you money.

They will not give information about you to anyone else, or use information about you for other purposes, unless the law allows this.

Your local council is the data controller for the purposes of the Data Protection Act.

If you want to know more about what information they have about you, or the way they use that information, please ask them.

Changes you must tell your local council about

For example:

- any of your children leave school or leave home
- anyone moves into or out of your home, including lodgers and subtenants
- your income or the income of anyone living with you, including benefits, changes
- your capital or savings change
- you or anyone living with you becomes a student, goes on a Youth Training Scheme, goes into hospital or a nursing home, goes into prison, or changes or leaves a job
- your rent changes
- you move
- you or your partner are going to be away from home for more than a month
- you or anyone living with you starts work
- you receive any decision from the Home Office, or
- anything you have told us about changes.

This is not a full list. If you are not sure, ask your council for advice. You must tell them about any changes in writing – a phone call is not enough.

If you do not tell them about any changes, you may lose money you are entitled to or you may get too much benefit.

You must make sure that you tell them about any changes. Do not rely on someone else to pass the message on.

It is an offence not to tell your council about any changes that may affect your benefit. They may take court action against you, and if they pay you too much benefit, you will probably have to pay it back.

Part 13 How you will be paid and the choices you have

- If you are a council tenant, your council will pay any Housing Benefit you are awarded into your rent account.
- If you are **not** a council tenant and are awarded Housing Benefit, in most cases you can choose where to have your money paid. Your council can arrange to pay your money:
 - straight into a bank, building society or National Savings Bank account
 - by cheque, or
 - direct to your landlord.
- If you are awarded Council Tax Benefit, your council will pay this into your Council Tax account.

Payment direct into an account

This is the safest way to pay you and lets you choose how and when you get your money. You can use a bank, building society or other account provider. Most accounts allow you to make savings on some of your bills by paying them by Direct Debit. You may be able to use a cash machine, which will usually mean you can get your money at any time of the day or night. Most of these machines can be used for free, but some of them will charge you to take your money out. If so, you will be warned by a message on the screen. This will give you the opportunity to cancel your transaction without being charged. There are arrangements with some banks and building societies to let you collect cash from many of their accounts over the counter at post offices.

Finding out how much is paid into the account

We will tell you whenever we know there is going to be a change in the amount we pay into your account.

You can check your Housing Benefit payments on your account statements. If you think your payment is wrong, get in touch with the office that pays you.

Getting someone to collect your Housing Benefit

You may be able to get someone else to collect your Housing Benefit for you regularly if you wish. For help with this please contact your bank, building society or other account provider such as Credit Union.

If we cannot pay you direct, we will pay you by cheque.

About the account you want to use

You **must** tick one of these boxes.

Tick this box if you agree to be paid directly into an account

Tick this box if you would like to be paid by cheque

Tick this box if you would like your Housing Benefit to be paid direct to your landlord

Do not forget to fill in the authorisation sheet at the end of this claim form. Then tear it off and give it to your landlord to sign. Please give your account details on the next page. You must fill in ALL the boxes including the building society roll or reference number if you have one. You can find the account details on the cheque book, passbook or statements. If you are not sure about the details, ask the bank, building society or other account provider.

Sharing information with your landlord

HCTB1 tear-off 1

Sharing information with your landlord

Sharing information with your landlord could help us deal with your claim more quickly and reduce the risk of you falling behind with your rent because of your claim being delayed.

We may need to confirm information with your landlord before we can make a decision on your claim, for example, the start date of your tenancy. In these circumstances, we can contact your landlord without your permission.

The law requires that we inform your landlord of certain decisions we make on your claim, for example, when a decision is made to pay your benefit to your landlord.

Under the Data Protection Act 1998 we need your permission to discuss anything else.

If you give us permission, we would be able to tell your landlord whether:

- you have claimed Housing Benefit, or
- we have made a decision on your claim, or
- we need more information to make a decision on your claim, and what that information may be.

We will not give your landlord any information about:

- your personal or household circumstances, or
- your financial circumstances.

You can withdraw your permission at any time.

It will not affect your claim if you do not give us permission to discuss your claim with your landlord.

If you want to give us permission to discuss your claim with your landlord, please sign below.

I give my local council permission to share information about the progress of my Housing Benefit claim with my landlord or their representative.
