**NOTE:** As provided in Tenn. Code Ann. Section 67-4-711(a)(5)(A), amounts actually paid during the business tax year by a contractor to a subcontractor holding a business license or contractor's license for performing activities such as rendering extermination services, installing personal property, constructing, building, erecting, repairing, grading, excavating, drilling, exploring, testing, or adding to any building, highway, street, sidewalk, bridge, culvert, sewer, irrigation or water system, drainage, or dredging system, levee or levee system or any part thereof, railway, reservoir, dam, power plant, electrical system, air conditioning system, heating system, transmission line, pipeline, tower, dock, storage tank, wharf, excavation, grading, water well, or any other improvement or structure or any part thereof, may be deducted from gross receipts when computing the measure of the business tax. However, for contracts issued on or after September 1, 2009, in order to claim the deduction, the contractor must complete this form.
