Meaning of words in *italics*

Relief is freedom from paying duty and tax when you meet the relevant conditions explained in Customs Notice 3.

Your **normal home** is where you usually live - that means where you spend 185 days or more in a period of 12 months because of your work and personal connections. But if you have no work connections or your work and personal connections are in different countries, then you usually live where your personal connections are. (However if you are a UK citizen and you are working outside the EC, your normal home can be where you are working so long as you have lived there for 185 days or more in a period of 12 months). As an example, if you are a UK citizen returning with your family after working in the USA for 5 years, your normal home is the USA.

The **UK** is England, Scotland, Wales, Northern Ireland (but not the Channel Islands).

The **EC** is the European Community: Austria, Belgium, Cyprus, the Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, the Irish Republic, Italy, Latvia, Lithuania, Luxembourg, Malta, the Netherlands, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden, the UK. Although they have close links with the EC, the following are regarded as outside the EC for tax purposes: the Åland Islands, Andorra, the Canary Islands, the Channel Islands, French Guiana, Guadeloupe, Martinique, Mount Athos, Reunion, San Marino and Turkey.

Your **belongings** are the goods kept by you or your immediate family for household or personal use.

A **diplomat** includes anyone who works in UK or foreign Embassies, Consuls or High Commissions, or in association with these. Also Foreign and Commonwealth Office staff, or staff working in their support.

A **temporary visitor** is a person who usually lives outside the EC who has no intention of moving his normal home to the EC. If you are a student in the EC for full-time study, you will be treated as a temporary visitor if you do not intend to make the EC your permanent home.
