Mica Market Review

Mica Market Review

Date: Jan, 2013

Pages: 77

Price, US\$: 1190.00 (Single User License)

About Mica Market With economic recovery consumption of ground mica increases, boosted by polyester resins, cosmetics, nylon and other markets. Block mica is expected to add about 1% annually in the coming years, supported by demand from specialty markets. However, high-quality block mica is undersupplied due to deficient compound mining volumes. China dominates mica market with 69.1% share. Russia is second with 9.1% annual volume.

Mica Market Review is an absolutely essential resource for anyone interested in the detailed information on the reviewed market. Using a wide range of primary and secondary sources, we combined, analyzed and presented all available data in the all-in-one report issued in a coherent format. In addition to the descriptive and analytical parts, the report provides a range of tables and figures which give a true insight into the relevant national, regional and global markets. The report also features next five year forecasts by market experts and analysts. Monthly market monitoring service for mica is also available. Monthly Mica Market Monitoring:

- Summarizes key events occurred in the market worldwide
- Covers weekly prices by region and supplies with one-year historical background
- Monitors activities of market players
- Issued monthly, available on annual subscription

Scope Geographically mica report covers:

- World
- Regions
- Countries

Timeframe of mica report:

- Present situation
- Historical background

- Five-year forecast

Global mica market analysis includes:

- Mica recourses
- Mica production and consumption
- Mica prices
- Mica 5-year market forecast

A region/country market overview comprises:

- Mica supply/demand balance
- Mica export and import
- Mica manufacturers

Reasons to Buy The immediate benefits of buying this report are as follows:

- Your knowledge of the market will become unparalleled
- The unique analysis of the relevant market as well as detailed knowledge of both global and regional factors impacting the industry will take you one step further in managing your business environment
- You will boost your company's business/sales activities
- Your search for prospective partners and suppliers will be largely facilitated
- An in-depth market forecast will strengthen your decision-making process
- Besides annual market intelligence your knowledge of the industry can be enriched by the monthly market monitoring service offered by the company
