

2nd International Conference on Chemical Looping

26 to 28 September 2012

A Concept for Efficient and Clean Use of Fossil Resources

Partnership Offer

TECHNISCHE
UNIVERSITÄT
DARMSTADT

The institute for Energy Systems and Technologie (EST) organizes the 2nd international conference on chemical looping to be held at Maritim Conference Hotel Darmstadt (Germany) from 26 to 28 September 2012. We are offering partner companies an opportunity to demonstrate their interest in this topical theme by becoming sponsors of this event.

Three levels of partnership are proposed:

Bronze–Partnership for € 2500 (VAT excl.)

- your company logo will be displayed on the web site, the program and all other documents handed out to the participants

Silver–Partnership for € 4000 (VAT excl.)

In addition to the above proposal:

- a poster (90 cm x 120 cm) provided by your company will be displayed in the coffee break area
- a stand (upon request): 1 table, 1 chair, electric power
- free admission for 2 persons to the conference

Gold–Partnership for € 8000 (VAT excl.)

In addition to the above proposal:

- your company's brochure in the folder distributed to the participants
- sponsoring of a lunch (explicitly indicated on the final program of the seminar)
- free admission for 2 more persons to the conference

To seize this opportunity please fill in and return the enclosed partnership form.
