Interview:

1. Why did you choose this/these course(s)/field(s) of studies? Would you choose it/them again?

2. What made you decide to study at the University of Ulm?

3. How did you find the University with regard to treatment of students and personal support? How close was your contact with the instructors?

4. What are your comments about the University of Ulm in general?

5. How did you like the city of Ulm as a place to study? Would you study here again?

6. What advantages does the University have over other universities in your field of studies?

7. How goal-oriented was your entry into the professional world after graduation?

8. What concrete examples can you give of steps along the way in your professional development? Was there a crucial step that led to your success? If so, what was it?

9. What shaped your career development during your studies?

10. What do you do today? What do you enjoy about your occupation?

11. How did your life change in the transition from studying to working?

12. Do you have any further career goals?

13. What advice would you give to future graduates?

Thank you very much for your trouble!
