Special Conditions for Services provided by ServicePartners (Forwarding agent, empty containers storage)

The contract is concluded between the respective ServicePartner and the company placing the order.

- These exhibition transport tariffs are applicable for all services provided by the exhibition forwarding agent for delivery and collection of exhibition goods for exhibitors in the Exhibition Center Nuremberg. These charges are based on current regulations, wages and tariffs for a 5-day week. The rates shown are net.
- All orders placed with the exhibition forwarding agents in accordance with exhibition transport tariffs are governed by the latest edition of the "Allgemeine Deutsche Spediteur-Bedingungen" (ADSp). The conditions are available for inspection in the office of the respective forwarding agent.
- The forwarding agent's liability ends when the exhibition goods are delivered to the exhibitor's stand, regardless of whether the exhibitor or his representative is in attendance. Delivery is made to the designated stand from the first official assembly day onwards. It is essential for reliable and timely delivery that each package is clearly marked with the receiver's name and the exact designation of event and exhibition stand.
For return transport, liability first commences on collection from the exhibition stand, whether or not dispatch notes have already been handed into the forwarding agent's office.
Special requirements must be notified in writing in advance.
- Building and fire regulations prohibit the storage of empty containers in the exhibition halls during the event. The forwarding agent will arrange collection and storage on receipt of an order. The organizer has decreed that empty containers still in the exhibition halls and/or in the loading yards after expiry of the official assembly and dismantling periods may be removed by the forwarding agent, even if no order is received from the exhibitor. The costs incurred will be charged to the exhibitor.
The storage of packages with their contents should be specially notified when placing orders.
- Complaints must be made immediately following receipt of the goods and are to be registered in writing at the forwarding agent's office; verbal claims are not admissible.
- All charges shown are net and are subject to VAT at the statutory rate.

The contract must be in the hands of the ServicePartner 7 days before the start of the security service.

Orders at short notice are accepted directly in the office of the ServicePartner, but no obligation to perform the service exists until the order is confirmed in writing.

If the order is placed by a third party, e.g. a stand construction company, the person placing the order is liable personally if no proof of authority is provided on or after placing the order.

3. Contract performance

The ServicePartner undertakes to provide guarding of the stand indicated in the application during the agreed period by a reliable employee who will be solely responsible for the security of the stand. Failure to report any complaints promptly may void any rights to which the client may be entitled on account of such complaints, if this means it is no longer possible to reliably determine the facts of the case. The ServicePartner shall bear no liability whatsoever for consequential damage that could have been avoided if the complaint had been reported in time.

6. Liability and limitation of liability

- 6.3 The client is obliged to assert claims in writing immediately after becoming aware of them.
Clause 5 applies accordingly.
- 6.4 All claims of the client arising out of this contract expire by statutory limitation after a period of one year.

EUROPCAR GENERAL RENTAL TERMS AND CONDITIONS

1. RENTAL PRICE

The applicable prices are those stated on the pricelist valid at the time the vehicle is rented. If the renter does not qualify for a special rate, the normal rate, and, in the case of a one-way rental, the one-way rate, will be charged. This is also payable if, contrary to contract, a commercial vehicle is returned to a depot other than that at which it was rented. Where a vehicle is returned on the island of Sylt or abroad, return transportation costs will be charged according to the place to which the vehicle is returned. The costs of fuel and the filling service are chargeable to the renter if the vehicle is not returned with a full tank. In connection with the use of the vehicle, the renter shall be liable for all fees, duties, administrative fines and penalties asserted against the lessor. Europcar charges a processing fee of EUR 5.00 as compensation for the administrative work per incident. The renter shall also pay any tolls due under the Motorway Tolls Act. The renter of the truck or the owner of the trailer shall bear sole responsibility for payment of the trailer collection surcharge.

2. RETURN OF THE VEHICLE

At the end of the rental period, the renter shall return the vehicle to Europcar at the agreed location during Europcar opening hours.

3. MODE OF PAYMENT

Upon hiring the vehicle, a down-payment of at least the anticipated end price is payable. The remainder is payable upon return of the vehicle. Where the rental price is credited on the basis of a contractual agreement, it is due 14 days after the vehicle has been returned. In the event of default, a charge of EUR 4.00 will be made for every warning letter. If the renter defaults, the rate of interest charged will be 5% above the base interest rate applicable at the time, but not less than 6% per annum. It shall be open to the renter to prove that the loss caused due to his default was lower. If a collection agency requires to be appointed as a result of the renter defaulting, the renter shall be responsible for the costs incurred as a consequence thereof, provided he was not obviously unable or unwilling to meet his payments and had not otherwise raised an objection to the reasons why the charges were made to him.

4. RESERVATION, VEHICLE COLLECTION AND CANCELLATION

Reservations are binding only for price groups, not for vehicle types. The vehicle is to be collected no later than one hour after the agreed time, after which Europcar will no longer be bound by the reservation. Cancellations have to be notified no later than 24 hours before commencement of the rent period. If this is not the case, a daily basic price is payable, unless it was possible to rent the car out to another customer.

5. ENTITLED DRIVER

The vehicle may only be driven by the renter himself, the driver stated in the rental contract, professional drivers employed by the renter and acting on his instructions and members of the renter's family, provided the latter are of the minimum age laid down in the relevant price list. In all cases, the driver must be in possession of a valid driving licence. The renter is obliged to notify Europcar at his request of the names and addresses of all the drivers of the vehicle where these are not stated in the rental contract itself. Drivers are vicarious agents of the renter.

6. PROHIBITED USE, ENTRY RESTRICTIONS

- I. The renter may not use the vehicle:
 - a. to take part in motor sport events, vehicle trials or vehicle safety training,
 - b. for the carriage of highly inflammable, poisonous or other hazardous substances,
 - c. to commit customs and other criminal offences, even if such acts only carry a penalty according to the law of the place of committing the offence,
 - d. for re-renting,
 - e. for other purposes that exceed the contractually agreed use.
- II. Use of the vehicle is only permitted within Europe:
 - a. only vehicles of the classes Mini, Economy, Compact, Intermediate and Standard may be used in Great Britain, Ireland, Italy, Poland, Slovenia, the Czech Republic and Hungary;
 - b. the vehicle may not be used in Albania, the Balearic Islands, the Baltic Republics, Bulgaria, Greece, Iceland, the Canary Islands, Croatia, Malta, Romania, Slovakia, Turkey, the former Yugoslav States (except Slovenia) or the USSR.

7. REPAIRS

Repairs that are necessary in order to ensure operational and road safety of the vehicle may be carried out by the renter immediately up to a price of EUR 50.00; major repairs may only be carried out with Europcar's consent. Europcar will pay the repair costs upon presentation of the relevant documentation, provided the renter is not responsible for the damage (see part 10).

8. CONDUCT IN THE CASE OF ACCIDENTS

The renter must inform the police immediately after any accident, fire, theft or damage occasioned by game or by any other cause. This shall also apply in the case of accidents caused by the renter's fault without the implication of any third party. Counterclaims may not be acknowledged. Even in the case of minor damage, the renter must without delay. The accident report must especially contain the names and addresses of the persons involved and any witnesses and the registration numbers of the vehicles involved.

9. CREDIT CARD PAYMENT

The Renter has the choice at the start date of rental to elect to pay either in the currency of the country of rental (Rental Currency) or to pay in their own credit card billing currency. If the payment is made in the Cardholder's Billing Currency the invoiced amount will be converted by Europcar from the Rental Currency to the Cardholder's Billing Currency. The following statement shall be printed on the rental agreement: "Final charged amount will be converted into your Billing Currency" as per the 3-letter code identifying such Currency (e.g. USD, GBP, EUR). The final amount charged for the rental will be converted at the exchange rate on the day as supplied by Reuters, plus a commission of 2.75%. Any delayed or amended charges will be processed in the same currency as selected by the Renter and on the day they are received using the exchange rate applicable on that day. The multicurrency conversion service is provided by Monex Financial Services. If the renter requires the rental currency to be changed, this can be done only at check-in time, when requesting a printed statement of charges, otherwise the checkout choice of payment currency is considered final. If for whatever reason the conversion cannot be processed by Europcar, or is declined by the cardholder at time of rental, the transaction will be submitted in the Rental Currency and then converted afterwards by the card issuing bank according to their currency conversion conditions.

10. RENTER'S LIABILITY

- a. In the case of accident damage, loss, theft or improper use of the vehicle or a breach of the contractual obligations under parts 5, 6 and 8 of these terms and conditions, the renter is responsible for repair costs and, in the event of a total loss, for the replacement value of the vehicle less residual value, in so far as he or the driver is answerable for the loss. In addition, the renter must pay for any consequential loss incurred, in particular value writedowns, towing costs, loss-adjusters' charges and a flat sum to cover administrative costs.
- b. In the event a collision damage waiver is agreed in return for payment of an additional charge, Europcar will indemnify the renter according to the principles of fully comprehensive cover with a subsequent excess for damage to the rental car. The collision damage waiver shall include the damage due to an accident, that is, due to a direct incident of external mechanical force; braking and operating damages and pure breakages shall not be regarded as accident damages. Consequently, the collision damage waiver shall, in particular, exclude damages caused by improper handling and/or operation of the vehicle, such as due to a mistake when changing gear, the use of the wrong fuel or loaded articles. The excess for cars is € 750 per claim up to the upper mid-class, however, it is EUR 950.00 for particularly valuable vehicles in the upper mid-class (e.g. BMW 525d), vehicles in the luxury class (e.g. Audi A6) and minibuses (e.g. VW Sharan). In all cases for renters/drivers under 23 (with the exception of appointed company drivers and where accident compensation or letter of protection cover is taken out) the excess amounts to EUR 1,100.00. For commercial vehicles up to Group 4, the excess is EUR 750.00, for Group 5 (e.g. MAN 8.180) EUR 1,000.00 and for Groups 6 and 7 (heavy commercial vehicles) EUR 1,500.00 per claim. A list of the excesses applying to each vehicle is available at the place of signature of the contract. These excesses only apply where no provision has been laid down to the contrary.
- c. Indemnification does not constitute a release from the obligations in parts 5, 6 and 8 of these terms and conditions. The renter is fully liable in the case of a breach of a contractual obligation, particularly for damage arising whilst the vehicle is being used by an unauthorized driver (part 5) or for a prohibited purpose (part 6). If the renter fails to stop at the scene of an accident or breaches his obligations under part 8, he shall likewise bear full liability unless the breach had no impact on determination of the facts underlying the claim. The renter shall also bear full liability where damage is caused deliberately or due to gross negligence, especially in a case of driving under the influence of alcohol.
- d. Where partial comprehensive cover is taken out, the renter is particularly liable in the event of glass damage and damage caused by ground game, fire or theft, with an excess of EUR 160.00 per claim.
- e. For all other matters, the statutory rules shall apply.

11. EUROPCAR'S LIABILITY

Any liability of Europcar due to an infringement of its contractual duties shall be limited to intentional behaviour and gross negligence, inclusive of intentional behaviour and gross negligence of representatives and persons employed for the fulfillment of duties. If such events are due to slight negligence, Europcar shall only be liable in case of damage to life, body and health, an infringement of material contractual duties or of compulsory liability according to the product liability act. In such a case, the scope of liability shall be limited to compensation of the damages foreseeable in terms of a typical contract.

12. PRESCRIPTION

Where an accident is recorded by the police, compensation claims by Europcar against the renter are only due once Europcar has been able to inspect the investigation dossier. The prescription period commences no later than six months after return of the vehicle. Where the dossier is inspected, Europcar will without delay inform the renter of the time at which it was inspected.

General Terms and Conditions for Automated Rentals

1. Rental agreements can be entered into under Europcar's automated rentals system using a credit card accepted by Europcar or a Europcar Card provided to the customer by Europcar (First, Privilege). It is a requirement that the customer be in possession of a valid driving licence each time a vehicle is rented. Upon first renting a vehicle, the customer will present his driving licence, and upon each subsequent rental he will confirm that the status of his driving licence has not changed and will immediately give notice to Europcar of any change in the status of his driving licence and/or his personal details. If a customer breaches any of the aforementioned obligations, he is liable to Europcar for all untoward consequences and losses resulting therefrom and will indemnify Europcar against all claims by third parties, particularly recourse actions by the liability insurer.
2. The rental agreement is formed
 - a) with the customer whose Europcar card is inserted into the Europcar terminal, at the time at which the keys to the vehicle are handed over,
 - b) in respect of the vehicle for which the vehicle key provided by the terminal is intended and at the rate agreed for that vehicle and for the rental period entered into the terminal.
3. The customer confers authority on Europcar to charge to the credit card designated by him all sums due under the rental agreement entered into via the terminal, including any excess in the event of an accident caused by his fault.
4. The customer must keep his Europcar Card safely. In the event of loss or unauthorized use, he must inform Europcar without delay, either by telephone on the 24-hour number 0180-5 8000 (EUR 0.14/min.) or by fax on 040-520 1811 7400, so that Europcar can have the card blocked.
5. The customer undertakes to fulfil all claims by Europcar arising out of a terminal rental agreement entered into using a Europcar Card or a credit card accepted by Europcar, regardless of whether the customer himself or an unauthorized third party who was not permitted to use the card has used it for an automated terminal rental. The customer is not responsible for the costs arising as a result of misuse of the Europcar Card if he has in due time informed Europcar of the loss of his Europcar Card such that Europcar could have blocked the card before it was misused.
6. Furthermore, the contract is governed by the General Rental Terms and Conditions of Europcar Autovermietung GmbH as applicable at the time of entering into the automated terminal rental agreement.
7. Without prejudice to the right to terminate the contract immediately for serious cause, the customer may at any time during the validity of the card terminate the contract by notice in writing to Europcar at one week's notice.
