Important Conditions of Membership

- 1 Disclaimer
 - Brochures are summaries and do not supersede the registered Rules of the Scheme. All benefits are paid in accordance with the registered Rules of the Scheme.
- 2 Are all benefits available once I am a member? Benefits are based on a 12-month period (January to December). Depending on which month you join the Scheme, your benefits will be pro-rated accordingly, i.e. should you join in April, you have 9 months' benefits available. If a benefit for the year is R1200 you will have 9/12 x R1200 = R900. Waiting periods are applied to some conditions i.e. pregnancy.
- 3 How do I pay contributions? Your contributions are deducted from your salary by your employer or directly from your bank account.

- 4 Do I have to wait before I can claim for benefits? Yes, on pre-existing conditions, e.g. a condition prior to joining the Scheme. You will receive written notification if waiting periods are imposed.
- Will contributions increase after I become a member? Yes. All medical schemes increase contributions from time to time when the cost of medical, dental, hospital or other health services increase or when benefits are improved.
- 5 What happens when I exceed my annual benefit limits?
 - You will be liable for the payment of any excess amount directly to the service provider.

- 7 Can I resign from the scheme at any time? The Scheme requires three months notice in writing of your intention to cancel your membership.
- 8 Late Joiner Penalty
 Late Joiner Penalty may be applied to an applicant or dependant(s) joining a medical aid after the age of 35, who had no creditable cover with one or more medical scheme prior to 1 April 2001 without a break in membership exceeding 3 consecutive months.
- 9 Non-disclosure of medical condition Failing to disclose your medical history, and that of your dependants, accurately on this application form entitles Medshield to terminate your membership and that of any dependants in terms of the Medical Schemes Act.
