The chillbag

The very sleek and very sexy chillbag is a Smart Ice Bucket and gift bag all in one.

- Made out of special thick treated PVC.
- Holds easily one bottle of mineral water, wine or champagne plus water and ice.
- Is strong, watertight, reusable and recyclable making it ultra reliable and friendly to the environment.

Whether it's for indoors or out, the chillbag is the ideal accessory for a picnic in the park, a dinner, a braai with friends or as the perfect gift bag for that special celebratory champagne.

Chills your wine, mineral water or Champagne in much less time than a traditional ice bucket does. Simply put in your chosen bottle and pad out the chillbag with fresh water and ice cubes.

Enjoy a chilled drink within minutes & you now have a portable ice bucket!

Chillbag takes no space in your kitchen drawer, your hand bag or your car glove box. Just fold it and store it until the next party!
