

Customer:	<i>Your Name and Surname</i>	Our Ref: <i>Your quotation reference number from us will begin with the letter Y</i>
Project title:	<i>Your Site name</i>	
Site address:	<i>Your Site Address</i>	

I accept your quotation, dated 13 August 2010, for the works referenced above and any subsequent charges, as detailed in the Project Specification.

I agree to pay £2,956.66 plus VAT of £0.00, totalling **£2,956.66** and enclose a cheque for the full amount.

I acknowledge and agree that the works are subject to the Electricity North West Limited General Conditions of Contract, a copy of which I have read.

I acknowledge that I must appoint an electricity supplier to the site before the connection/s can be made live. The details for my appointed supplier are as follows:

Supplier name:	<i>The company who you will choose to supply electricity to your property. (Please note Electricity North West Limited does not supply electricity)</i>
-----------------------	---

If you or the designated end user has requested a supply metered at High Voltage, a supply with a substation within your building or are connecting a generator to our network then you will need to complete the following end user details before any connection can be made. If you have requested multiple connections of the above type, then you will need to send details of the end user for each separate connection.

End-User Details	<i>Name of person or company who will be using the supply.</i>
Company name:	<i>Name of company (if applicable)</i>
Registered office:	<i>Company registered office address (if applicable)</i>
Premise postal address:	<i>Postal address of the site requiring the electricity connection.</i>
Name of person who will sign the connection contract:	<i>This will be the person who is paying for the connection</i>
Address to where the connection contract should be sent:	<i>This will be the address of the person above</i>
Designation of person who will sign the connection contract:	<i>Position of person signing the contract</i>

The site will be ready for Electricity North West Limited to commence works on _____ **(please enter date)**. However I have read and understand clause 7 of the Electricity North West Limited General Conditions of Contract, in relation to commencement of the works.

Signature of customer or authorised signatory on behalf of customer:		Name of site manager:	<i>Builder or representative who will manage the on site activities</i>
Date:		Contact telephone no.	<i>Above persons contact number</i>

PLEASE COMPLETE THE SECTIONS IN BOLD AND RETURN WITH A CHEQUE FOR £2,956.66 MADE PAYABLE TO **ELECTRICITY NORTH WEST SERVICES LIMITED**.
