

Pathways to Persistence Scholars Program Application

Program Goals

The Pathways to Persistence Scholars Program is a program designed to help students get their college degree after receiving a GED. The purpose of the program is to promote academic excellence and to provide an opportunity for outstanding student achievement so that students may reach their highest potential toward graduation.

The mission of the Pathways to Persistence Scholars Program is to provide students with a dedicated support system that focuses on intentional interactions, academic excellence, and self-improvement. The program prides itself on creating a strong family bond among Scholars and program staff who provide a network of support and friendship their entire lives.

Member Benefits

Achieve academic goals
Career Development Resources
Sense of pride and belonging
Financial Aid help
