The child's biometric features must be recorded in connection with the application being submitted. Does it cost anything to submit an application?

Yes, you will normally need to pay a fee in order to get the application processed by the Danish Agency for Labour Retention and International Recruitment. You can read more about the fees in section 0 of this form, or on www.newtodenmark.dk/fee where you can also see the current fees.

Application for residence permit for a family member of a foreign national who is to work or study in Denmark

0. Information about fees

From 1 January 2011 onwards, you will normally need to pay a fee if you submit an application for a residence permit, for an extension of a residence permit, or for a permanent residence permit in Denmark. The size of the fee depends on which type of application you submit. You can find the current fees on www.newtodenmark.dk/fee.

All persons who submit an application for residence permit for a family member must do the following in the order below:

1. Create a case order ID. **Please note:** You must state the case order ID in the field below.
2. Pay the fee. **Please note:** Certain groups of applicants may be exempt from paying the fee. These groups must still create a case order ID.
3. Submit the application.

The fee covers the processing of your case. This means that the fee will not be refunded if your application is turned down. Furthermore, the fee will not be refunded if, during the processing of your case, you choose to withdraw your application. If you have not paid the fee your application will be rejected, which means that it will not be processed. If your application is rejected for any other reason, the fee will be refunded minus an administration fee.

How do I create a case order ID?

Anyone can create a case order ID on www.newtodenmark.dk/fee. You must clearly state the case order ID in the field below and when paying the fee (if applicable).

How do I pay the fee?

You can pay the fee in several ways, such as from a Danish internet bank, in the bank or at the post office. On www.newtodenmark.dk/fee you can choose how you wish to pay, and you can see which information is required when paying the fee. **Please note:** The fee must be paid no later than at the same time the application is submitted. In most cases, this means that the fee will need to be paid **before** the application is submitted. Only a few Danish diplomatic missions will allow you to pay the fee when you submit your application. You **cannot** pay the fee directly to the Service Centre of the Danish Agency for Labour Retention and International Recruitment or to the Danish police. Please **include documentation that you have paid the fee**, such as a receipt from a Danish internet bank or a receipt from a bank or post office.

Who is exempt from paying the fee?

There may be special cases where an application in a case category where a fee is normally required can be submitted without paying the fee. On www.newtodenmark.dk/fee you can read more about who is exempt from paying the fee. If you believe that you (the applicant) are exempt from paying the fee, please tick the box 'The applicant is exempt from paying the fee' in the field below. If you do this you do not need to fill in the information required for refunding the fee. When you create a case order ID, please state that you are exempt from paying the fee. Please note: If the immigration authorities decide that you are in fact not exempt from paying the fee, your application will be rejected, which means that it will not be processed. However, if you have paid the fee and the

immigration authorities decide that you are in fact exempt from paying the fee, the fee will be refunded.

0.1 Case order ID

Please state your **case order ID**. The case order ID you state below must be identical to the case order ID stated when paying the fee. Please include documentation that you have paid the fee. If you believe that you are exempt from paying the fee, please enter your case order ID and tick the box next to 'The applicant is exempt from paying the fee'.

0.2 Information required for refunding the fee (in case the fee is to be refunded)

Please give the information required for refunding the fee. The fee can be refunded by transfer to a Danish NEM account ('NEM-konto'), a Danish bank account, a foreign bank account, or in cash at a Danish diplomatic mission. Diplomatic missions can only repay fees in cash if the fee was originally paid there. Please state the name of the person to whom the refund should be paid (account holder/recipient), how you wish to receive the money, and any required information.

If the refund is to be paid to a foreign bank account, we recommend that you speak with your bank first to obtain the information necessary in order to receive a transfer from Denmark. In addition to the account information, you may also need to provide the bank's address.

Please note that for a period of 180 days, your fee cannot be returned to a bank account, if you originally paid the fee with Dankort or credit card. For that period of time the payment can only be returned to the same Dankort or credit card account. After 180 days, your fee can be returned to the bank account specified by you below.

Biometric features required on residence cards

Children under the age of 18 who are to live with the custody holder in Denmark are not normally required to hold a residence card. A child can, however, request to be issued a residence card. If the child requests a residence card, and if the child resides in Denmark or in a country where Denmark has a diplomatic mission, the child's biometric features (digital facial image and fingerprints) must be recorded in connection with the application being submitted.

Children who are **not** to live with the custody holder in Denmark, but are instead to live with a foster parent or close relative, are required to hold a residence card. If the application is submitted in Denmark or a country with a Danish diplomatic mission, the child must appear in person to have his/her biometric features (digital facial image and fingerprints) recorded. If the child resides in a country where Denmark has a representation agreement with another country's diplomatic mission, the child must appear in person to submit two facial images. Once the child arrives in Denmark, his/her biometric features (digital facial image and fingerprints) must be recorded. If the child's application is sent by post or fax or submitted by a third-party such as a lawyer, the child must appear in person to have his/her biometric features recorded **within 14 days** of the application being submitted. If the child resides in a country where Denmark has a representation agreement with another country's diplomatic mission, the child must appear in person to submit two facial images **within 14 days** of the application being submitted. If the child's application has been sent by post or fax or submitted by a third-party such as a lawyer, please remember to **bring a photocopy** of the first three pages of the child's completed application form when having the child's biometric features recorded. This will allow the immigration authorities to match the child's biometric features with the application. **Please note** that the processing of the child's application will not begin until his/her biometric features are submitted. When having the child's biometric features recorded, please **bring the child's passport** or travel documentation. The child's signature will also be recorded. Facial images and fingerprints are stored on a microchip embedded in the residence card. If the child is under 6, only a facial image is required.

Biometric features can be recorded at the Service Centre of the Danish Agency for Labour Retention and International Recruitment. If you live outside Greater Copenhagen, your child's biometric features can also be recorded at some police stations. A list of the police stations capable of recording biometric features can be found at www.newtodenmark.dk/residencecard. For children living abroad, the website of the Danish Ministry of Foreign Affairs contains a list of embassies and consulates, as well as Danish representation agreements with other countries' diplomatic missions (um.dk).

If the child lives with the custody holder in Denmark and does *not* request a residence card, please submit two passport photos. The child's biometric features will not need to be recorded. The child can apply for a residence card at a later date, should the need arise.

If the child is **not** living with the custody holder in Denmark, and the child does not agree to have his/her biometric features recorded in connection with the application being submitted in Denmark or at a Danish diplomatic mission, the application will be **rejected**. If the application is submitted at another country's diplomatic mission with which Denmark has a representation agreement, and the application does not include two facial images, it will likewise be rejected. Children under 6 or children who are not physically capable of providing fingerprints, are not required to be fingerprinted.
