

The Raindrop

Since 1973

P.O. Box 23001, Billings, MT 59104

May 2007

From The President

Hi: Rainmakers

As I write this we are 2 rides into the 2007 riding season. The "Shake Down" ride was great, great weather, good friendship, and the ride was good also.

The second ride to Sarpy Creek was also a good ride, the weather was beautiful, the lunch was very good, and the ride was great, as well as the friendship.

I encourage everyone who likes to ride to join in on these rides, (lots of fun.)

A reminder to everyone that May is motorcycle awareness month, and we should do every thing we can to make our selves visible to motorist. (As we all know a person in a car can look right at motorcycle and not see it.)

Also one last reminder May 1st 2007 is the deadline for membership renewals, if you have not renewed by then you will be removed from the newsletter mailing list and the membership list. Also Ad sponsors not paid up by then will be removed

"WE HAVE A GOAL THIS YEAR OF 10 NEW MEMBERS", and I already see some work being done on this.

THANKS

Darrel

WHY I LOVE MY MOM

Mom and Dad were watching TV when Mom said, "I'm tired, and it's getting late. I think I'll go to bed." So she went to the kitchen to make sandwiches for the next day's lunches, rinsed out the popcorn bowls, took meat out of the freezer for supper the following evening, She filled the sugar bowl, put spoons and bowls on the table and prepared the coffee pot for brewing the next morning. She then put some wet clothes in the dryer, put a load of clothes into the washer, ironed a shirt and sewed a loose button. She picked up the game pieces left on the table, put the phone back on the charger and put the telephone book into the drawer. She watered the plants, emptied a wastebasket and hung up a towel to dry. She yawned and stretched and headed for the bedroom. She stopped by the desk and wrote a note to the teacher, counted out some cash for the field trip, and pulled a text book out from hiding under the chair. She signed a birthday card for a friend, addressed and stamped the envelope and wrote a quick list for the grocery store. She put both near her purse. Mom then washed her face with 3 in 1 cleanser, put on her night solution & age fighting moisturizer, brushed and flossed her teeth and filed her nails. Dad called out, "I thought you were going to bed." "I'm on my way," she said. She put some water into the dog's dish and put the cat outside, then made sure the doors were locked and the patio light was on. She looked in on each of the kids and turned out their bedside lamps and TV's, hung up a shirt, threw some dirty socks into the hamper, and had a brief conversation with the one up still doing homework. In her own room, she set the alarm; laid out clothing for the next day, straightened up the shoe rack. She added three things to her six most important things to do list. She said her prayers, and visualized the accomplishment of her goals. About that time, Dad turned off the TV and announced to no one in particular. "I'm going to bed." And he did...without another thought. Anything extraordinary here? Wonder why women live longer...?

'CAUSE THEY ARE MADE FOR THE LONG HAUL.....(and they can't die because they still have things to do!!!)

Share this with five phenomenal women today...& they'll love you for it! Then: GO TO BED!

PS. From the Editor: It's 11:00, Wednesday April 25th and I'm working on your newsletter, but, I'm now going to bed! And I'm a MOM & soon to be Nana!

Old Men Think Fast

An elderly man in Florida had owned a large farm for several years. He had a large pond in the back, fixed up nice -- picnic tables, horseshoe courts, and some orange and grapefruit trees. The pond was properly shaped and fixed up for swimming when it was built. One evening the old farmer decided to go down to the pond, as he hadn't been there for a while, and look it over. He grabbed a five gallon bucket to bring back some fruit. As he neared the pond, he heard voices shouting and laughing with glee. As he came closer he saw it was a bunch of young women skinny-dipping in his pond. He made the women aware of his presence and they all went to the deep end. One of the women shouted to him, "We're not coming out until you leave!" The old man frowned, "I didn't come down here to watch you ladies swim naked or make you get out of the pond naked." Holding the bucket up he said, "I'm here to feed the alligator." Old men can still think fast.
