Total Duration

Months

2. Project Outline

2.1 Project description

Note: the information entered in this section is considered as public.

Note: the information in this section will be treated as confidential.

2.2.1 What is innovative about your project?

2.2.2 Description of the technological developments envisaged in the project

2.2.2.1 *What are the technological risks?*

2.2.2.2 *What are the technological alternatives, their advantages and disadvantages compared to the technological developments envisaged in your project?*

2.2.2.3 *Research method*

2.2.2.4 *What are the specific problems or demands in your project's area of application or sector?*

2.2.3 What are the expected project results?

2.3 Market application and exploitation

(CONFIDENTIAL)

Note: the information entered in this section will be treated as confidential.

2.3.1 What type of market does your project reach?

2.3.2 What is the estimated market size and expected market share?

2.3.3 Participant's position on the market(s)

2.3.4 What is the status of competition on the market(s)?

2.3.5 Non-technological aspects of the market introduction

2.3.6 Marketing approach

2.4 Cooperation

(CONFIDENTIAL)

Note: the information entered in this section will be treated as confidential.

2.4.1 Participants and subcontractors

2.4.2 Who is responsible for knowledge protection and how will the rights for this knowledge be distributed?

2.4.3 For which parties outside this consortium could your project results be useful?

2.4.4 How is your project management set up?

2.5 Project execution (CONFIDENTIAL)

Note: the information in this section will be treated as confidential.

2.5.1 Technical approach

2.5.2 Work Packages

Complete the different work packages involved in your project by stating the work package, describing its content and indicating the planned start and end dates.
