Statement of Understanding

My signature below affirms my agreement that all information included in this application is accurate and valid. I understand that if any information included in any part of this application is found to be false or inaccurate, the application will be considered void and the Certificate of Achievement will be revoked.

I understand that the Certificate of Achievement is provided by the Suzuki Association of the Americas to recognize approved applicants for their achievements demonstrated by meeting the requirements of this application. It is one significant step on my path of life-long learning and continuing study and development. The Certificate may not be used for any other purpose or representation to any individual, agency or entity, or to the applicant him/herself.

I understand that the evaluation of this application may result in a recommendation of further study, and that resubmission of all or part(s) of this application may be required. I further represent and warrant that I have obtained all necessary consents and authorizations from the student and the student's parents to allow me to submit the video material as part of this application.
