Auburn University is committed to providing accommodations and services to students with documented disabilities. Students who have questions or need special accommodations should contact the Program for Students with Disabilities, 1244 Haley Center, Auburn, AL 36849; Ph: 334-844-2096; Fax: 334-844-2099; Email: tdonald@auburn.edu; Web: www.auburn.edu/disability.

EDUCATIONAL OBJECTIVES

- Discuss the role of the consultant pharmacist as part of the interdisciplinary team in the care of nursing home residents.
- Review pharmacy regulations included in the state operations manual.
- Discuss important current issues relating to long term care.
- Identify and evaluate patient use of OTC products.
- Evaluate OTC use in the institutional setting.
- Outline medical conditions that must be differentiated from anxiety in the elderly.
- Determine the prevalence of each of the anxiety disorders in the elderly.
- Compare and contrast pharmacological causes for delirium.
- Recommend steps pharmacists can take in the management of delirium in geriatric patients.
- Describe available guidelines of the management of Rheumatoid Arthritis (RA).
- Identify areas of clinical controversy in the treatment of Rheumatoid Arthritis (RA).
- Identify pain assessments appropriate for use in patients with dementia.
- Review federal guidelines for pain/discomfort assessment and monitoring in the long term care setting.
- Describe the evaluation and diagnosis of resistant hypertension in various patient populations.
- Identify treatment options in the management of resistant hypertension in various populations.
- Describe indications and recommendations for use of new anticoagulant therapy.
- Discuss use of new anticoagulant drugs in special populations.
- Discuss new chemical entities approved by the FDA in 2011.
- Identify new drugs approved by the FDA in 2011 that represent a major therapeutic advance.
- Recommend ways to detect literacy limitations.
- Describe the ‘teach-back’ method of detecting limitations.
- Interpret the ACIP vaccination charts.
- Identify required vaccinations for adolescents.
- Recognize signs and symptoms of PCOS.
- Recommend appropriate therapies to induce ovulation in women with PCOS experiencing infertility.
- Identify the most common causes of hyperglycemic crises.
- Develop a treatment plan for patients with hyperglycemic crises.
- Describe the term “basal-bolus insulin regimen.”
- Describe methods to construct a “basal-bolus insulin regimen.”

Auburn University is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

Statement of Credit: Each program is ACPE-approved for a specified number of continuing education hours. In order to obtain credit, the entire program must be attended. No partial credit will be given. A statement of credit will be mailed to you within four weeks of completion of the program. The statement of credit should be retained as proof of attendance in the event of an audit by a state Board of Pharmacy.

Cancellations

Video conference locations are subject to cancellation if the required minimum number of registrants is not met at least 15 days prior to the program.

Target Audience

If you are a community or institutional pharmacist, practitioner, educator, scientist, administrator, student, resident, fellow, nurse practitioner, or other health care professional involved in the care of patients, we invite you to attend the Auburn University Summer 2012 Consultant Update and Therapeutics Conference.

This program is a knowledge-based educational program designed for pharmacists to acquire factual knowledge.

Disclosure Policy:

It is the policy of Auburn University's Harrison School of Pharmacy, Office of Post Graduate Education to insure balance, independence, objectivity, and scientific rigor in all its sponsored or jointly sponsored educational programs. All faculty participating in these programs are expected to disclose to the program audiences any real or apparent conflict(s) of interest related to the content of their presentation(s), including any corporate sponsorship of speakers.
