Pharmacy Safety and Security

Richard Zenuch

Pharmacist Objectives:

1. Identify potential problems that may lead to pharmacy security problems.
2. Describe methods that pharmacists may use to prevent controlled substances theft.
3. Describe methods that pharmacists may use to identify fraudulent prescriptions and to prevent their use of illegal procurement of drugs.

Technician Objectives:

1. Describe the role of technicians in assisting pharmacists in the maintenance of store security.
2. Discuss factors that lead to the theft and fraudulent procurement of drugs.

General Information

Auburn University is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education; credits are recognized nationwide.

Registration and Fees

Complete the registration form and mail it along with the appropriate fee to:

Harrison School of Pharmacy
Office of Post Graduate Education
2320 Walker Building
Auburn, AL 36849-5504

You may pay by check* or credit card (MasterCard & Visa, no debit cards). You may also fax your registration form to 334-844-8353. Pre-registration is strongly encouraged. Lack of pre-registered participation can lead to program cancellation.

* Please make checks payable to: AUHSOP

Refunds

If you are unable to attend a program, refunds will be made. We will, however, retain a \$10 processing fee and require a written request for the refund. The request must be received in our office prior to the start of the program. No refunds will be made after the program begins.

Statement of Credit

Each program is ACPE approved for a specified number of continuing education hours. In order to obtain credit, the entire program must be attended. No partial credit will be given. The Alabama State Board of Pharmacy requires that each participant sign out at the conclusion of the program. A statement of credit will be mailed to you within four weeks of completion of the program. The statement of credit should be retained as proof of attendance in the event of an audit by the State Board of Pharmacy.

Cancellations

Each program is subject to postponement or cancellation if the required minimum number of registrants is not met at least 30 days prior to the program.
