

Recommendation Form for Students Applying for Graduate Assistantship

Department of Chemistry, DePaul University

Recommender Name and Position: _____

Affiliation: _____

How long have you known the applicant and in what capacity?

Please evaluate the applicant in terms of his/her academic preparedness, oral and written communication skills, time management ability and dependability. If the applicant has been a GA or CA for you, comment on his/her performance and growth. (Graduate Assistants in the Department of Chemistry are required to work approximately 20 hours as lab teaching assistants (TA) or course assistants (CA). The main duties of a TA include assisting instructors in teaching labs, holding office hours, and helping grade lab reports. The main duties of a CA include attending classes, holding office hours and review sessions, and helping grade exams.)

Please send recommendation to:
