

Preliminary Advanced Project Worksheet

Use this form to jot down some ideas about your Advanced Project:

Definition: In two or three sentences, explain the idea you want to address.

Competence: State several learning outcomes. What ability or insight do you hope to gain?

Methods of Investigation: What methods will you use to gather information? From what sources will this information come?

Coherence: How will your work be organized? Will your evidence, definitions, concepts, and analysis be linked to your main point?

Standards: How will your Committee know that your work has sufficient depth? What professional standards will you use?

Product: Describe what the product (F11) will look like. What sort of document, artifact, etc, will your Committee evaluate? What will be the focus of your paper (F12)? Write a preliminary competence statement for F12.

NOTE: It is important to develop and negotiate your *Advanced Project* Proposal and Contract with your Faculty Mentor & Professional Advisor before embarking on your project.
