Details of Complaint: THE COMPLAINANT IS CONCERNED THAT THE PERSON ABOVE MAY BE EXHIBITING REGULATED ANIMALS WITHOUT A USDA LICENSE.

Results: AFTER SOME DIFFICULTY CONTACTING MR. LINCOLN, I DID SPEAK WITH HIM ON 5/3/2011. HE STATED THAT HE WAS NOT EXHIBITING REGULATED SPECIES. THE COMPLAINANT HAD SEEN MR. LINCOLN ON HIS FACEBOOK PAGE HOLDING A HEDGEHOG AT WHAT APPEARED TO BE A CHILDREN'S PARTY. MR. LINCOLN SAID THE PHOTO WAS OF HIM AT A RELATIVE'S HOUSE AND WAS NOT A PHOTO INVOLVING REGULATED ACTIVITY. MR. Animal Care is the division of the U.S. Department of Agriculture (USDA) that is responsible for the enforcement of the Animal Welfare Act. The Act provides minimum standards for the humane care and use of animals at USDA licensed or registered facilities.

Animal Care inspectors conduct routine unannounced inspections at all USDA[™] licensed and registered facilities to ensure that they are meeting or exceeding these minimum standards. Our inspectors also conduct searches for unlicensed facilities conducting regulated activities. We perform inspections and searches when necessary in response to valid concerns and complaints received from the public to ensure the well-being of the animals and compliance with the law. If violations are found, enforcement action appropriate for the circumstances will be initiated.

Please be assured that we will look into your concerns and take appropriate action if necessary.

Thank you for your interest in the welfare of these animals.

Sincerely,

Elizabeth Goldentyer, D V M
